Description:
Harris County Pct 2 in partnership with the East Aldine Management District will assist low/mod income residents by reducing use of failing septic systems, thus reducing dangerous bacteria in roadside ditches and local waterways, and providing reliable, quality water and fire hydrants. The project is one phase of a multi-phase program that builds upon previous phases to bring public water and sewer to areas where residents use water wells which are frequently shallow and contamination prone and septic systems with high failure rates. The project includes construction of 2700' of 8" sanitary sewer line, 3250' of 8" water line, and service connections to eligible residents along sections of Hanley Lane, Mohawk Street and Percy Road.
