RE: 700 MHz Frequency Request

Mr. Haislet:

Your 700 MHz application request has been reviewed by the Region 51 RPC.

The frequencies requested follow the frequency allocations in the FCC approved Region 51 700 MHz plan. Per your request, the sites are name "Crockett" located in Houston County, and "Groveton" in Trinity County. The requested frequencies are found in allocation tables on page 229 for Houston County, and page 235 for Trinity County. The requested frequencies for "Crockett" are 770.08125, 771.25625, 771.80625, 772.25625, 772.60625, and 773.43125. The requested frequencies for "Groveton" are 770.28125, 771.08125, 772.18125, 772.50625, 772.91875, and 774.73125.

Your application request has been approved. Please proceed with your licensing process.

Regards,

Doug Frankhouser, Chair  
Region 51 Regional Planning Committee

Cc: Craig Bernard, Vice-Chair R51 RPC  
John Chaney, R51 RPC Frequency Review Committee
