Description:

The project is in Precinct 1 of Harris County in the northwest portion of the Airline Improvement District's (AID) Service Zone 2. Approximately 5,650 LF of 8-inch and 3,800 LF of 12-inch water lines will be constructed on Aldine Mail Route and Hawkins Road from Airline Drive to before Lillja Road, along W. Lorino Road from Airline Drive west towards Sweetwater Blvd and along Airline Drive from Lorino to Raymac. There are no public water and wastewater systems in this area and it has one of the highest rates of current and past on-site sewer system violations identified in the AID Water and Wastewater Study. Precinct One will assist 465 residents in the AID by providing 9,450 linear feet of water lines in the above mentioned streets.

Description:

Harris County Pct 2 in partnership with the East Aldine Management District will assist low/mod income residents by reducing use of failing septic systems, thus reducing dangerous bacteria in roadside ditches and local waterways, and providing reliable, quality water and fire hydrants. The project is one phase of a multi-phase program that builds upon previous phases to bring public water and sewer to areas where residents use water wells which are frequently shallow and contamination prone and septic systems with high failure rates. The project includes construction of 2700' of 8" sanitary sewer line, 3250' of 8" water line, and service connections to eligible residents along sections of Hanley Lane, Mohawk Street and Percy Road.

Description:

Harris County Precinct Three's Zube Park is located in a Harris County CDBG target area. In partnership with the Harris County Flood Control District (HCFCD) and Harris County Community Services Department (HCCSD) Precinct Three is orchestrating a major expansion of Zube Park that includes a pedestrian crossing (bridge) across the flood control channel (part of jogging trail development, and so as to connect the east and west sides of the park), a waterfall, asphalt jogging trails, exercise equipment along the trail, picnic tables, shade canopies, drinking fountains, and park benches. Additionally, Precinct Three seeks to construct support infrastructure through Phase II, such as park maintenance facility expansion, a water truck fill station, expansion of two existing parking lots (along Roberts Rd. and at soccer fields), lighting of the two parking lots to be expanded, fencing, completion of the water distribution system (completing the water system loop and replacing a section of old 1-inch pipe with 3-inch pipe), and general site work so park site drains well.
