QPR Q9 Persons and Households Served

In the first row ("Total Served"), enter the total unduplicated number of persons and households determined eligible and served with HPRP Homelessness Prevention Assistance and HPRP Homeless Assistance (Rapid Re-Housing) in the current quarter and for the grant to date. In the "Total" rows under "Total Served by Activity (#)," enter the total unduplicated number of persons and households served with Financial Assistance and with Housing Relocation and Stabilization Services. For the "Total - Financial Assistance" row and the "Total - Housing Relocation and Stabilization Services" row: the unduplicated amount entered in each cell in these rows is not necessarily the sum of the cells for each activity above it.

Note: Eligibility determination for HPRP is either a Case Management or Outreach and Engagement activity. If HPRP funds were used for eligibility determination, these persons and households must be reported under the appropriate activity below.

Both eligible and ineligible persons and households may be reported in the Outreach and Engagement row if HPRP funds were used to pay for the eligibility determination. Please note, however, in the "Total Served" row at the top of this screen, report only persons and households who were determined to be eligible and received financial assistance or housing relocation and stabilization services with HPRP funds. Do not include persons and households who were determined to be ineligible in the "Total Served" row.

Remember that the number of persons and households served that you enter in the Grant to Date columns must be unduplicated over time. If a household is served and reported on in both a prior quarter and the current quarter, they should only be counted once in the Grant to Date column, not twice. That is, do not add up the totals of persons served in each quarter to arrive at the total for the Grant to Date columns.
