Benefits of Sustaining This Component:

This produces the overall structure for the continuance of the systems of care.

Additional Ideas

Planning & Decision Making

1. Informal supports
2. organizational structure: defining expansion
3. Gateway function: CRCG<how do we continue to get families into the system
4. How to engage school districts into this process. ie. nurses, counselors, suggested as key players within schools
5. How do we develop a “hook”, a board to continue this process-this should continue mechanism to include family involvement specifically-stipends for families
6. Explore other non-profits with “deep pockets” as members of this group
7. To continue meeting & discussing how this will be/can be funded
8. What pieces could fit within a foundation for ongoing
9. The transformation
10. Take nat'l data & break into our individual data to speak to the benefits bringing together <all child-serving agencies<concept of org that improving engagement of
11. CPS-referrals to principles of SOC-family voice, youth voice & agencies can demonstrate how this is implemented
12. Youth voice-expansion of youth & family voice within agencies/organizations throughout communities-training expand outreach
13. Changing culture by implementing principles within other community unites. i.e.-they – eligibility restrictions will be removed & it will become a much larger focus. To partner w/other agencies that may not be restricted.
14. Re-direction-TRIAD-residential money has been decreased-Is TRIAD concepts-a vehicle? Would TRIAD be a structure for sustaining
15. Legislation-advocacy for diversionary funds to keep kids within the community
16. Possibility to explore a second SAMHSA grant
17. Identify champion-engage a legislator, a policy champion.

5013C

To continue as a program of an existing 5013C

Will have money following expansion of grant with Hogg

Ask Commissioner's Court to fund

Use TRIAD as anchor this strengthens for ?? outside grants

This board will become an advisory board to be around Systems of Hope reporting to TRIAD
