**Creator Sketch:**

The Jefferson Davis Hospital Auxiliary raised funds to provide equipment such as pediatric wheelchairs and TB laboratory equipment for the hospital and personal items such as toiletries, layettes, canes, and braces for patients. In addition, the auxiliary worked on the wards helping patients and serving amenities such as mid-morning coffee. In 1972 the auxiliary volunteers donated over 7000 hours to the county hospital.

**Scope and Contents Note:**

Requests for reimbursement, membership lists, correspondence, minutes, and printed materials document the work of the Jefferson Davis Hospital Auxiliary from 1972 – 1976.
