Developmental Disability, continued

Please answer the questions in the box below only if both of the following are true:

- (1) The basis of a proposed ward's alleged incapacity is intellectual disability.
- and
- (2) **You are making a "Determination of Intellectual Disability" in accordance with rules of the executive commissioner of the Health and Human Services Commission governing examinations of that kind.**

If you are not making such a determination, please skip to number 7 on the next page.

"DETERMINATION OF INTELLECTUAL DISABILITY"

Among other requirements, a Determination of Intellectual Disability must be based on an interview with the Proposed Ward and on a professional assessment that includes the following:

- 1) a measure of the Proposed Ward's intellectual functioning;
- 2) a determination of the Proposed Ward's adaptive behavior level; and
- 3) evidence of origination during the Proposed Ward's developmental period.

As a physician, you may use a previous assessment, social history, or relevant record from a school district, another physician, a psychologist, a public agency, or a private agency if you determine that the previous assessment, social history, or record is valid.

1. Check the appropriate statement below. If neither statement is true, skip to number 7 on the next page.
 - I examined the proposed ward in accordance with rules of the executive commissioner of the Health and Human Services Commission governing Intellectual Disability examinations**, and my written findings and recommendations include a determination of an intellectual disability.
 - I am updating or endorsing in writing a prior determination of an intellectual disability** for the proposed ward made in accordance with rules of the executive commissioner of the Health and Human Services Commission by a physician or psychologist licensed in this state or certified by the Department of Aging and Disability Services to perform the examination.
2. What is your assessment of the Proposed Ward's level of intellectual functioning and adaptive behavior?

<input type="checkbox"/> Mild (IQ of 50-55 to approx. 70)	<input type="checkbox"/> Moderate (IQ of 35-40 to 50-55)
<input type="checkbox"/> Severe (IQ of 20-25 to 35-40)	<input type="checkbox"/> Profound (IQ below 20-25)
3. Yes No ----Is there evidence that the intellectual disability originated during the Proposed Ward's developmental period?

Note to attorneys: *If the above box is filled out because a determination of intellectual disability has been made in accordance with rules of the executive commissioner of the Health and Human Services Commission governing examinations of that kind, a Court may grant a guardianship application if (1) the examination is made not earlier than 24 months before the date of the hearing or (2) a prior determination of an intellectual disability was updated or endorsed in writing not earlier than 24 months before the hearing date. If a physician's diagnosis of intellectual disability is not made in accordance with rules of the executive commissioner — and the above box is not filled out — the court may grant a guardianship application only if the Physician's Certificate of Medical Examination is based on an examination the physician performed within 120 days of the date the application for guardianship was filed. See Texas Estates Code § 1101.104(1).*

7. **Definition of Incapacity**

For purposes of this certificate of medical examination, the following definition of incapacity applies:

An "Incapacitated Person" is an adult who, because of a physical or mental condition, is substantially unable to: (a) provide food, clothing, or shelter for himself or herself; (b) care for the person's own physical health; or (c) manage the person's own financial affairs. Texas Estates Code § 1002.017.

8. **Evaluation of Capacity**

YES NO ---- Based upon my last examination and observations of the Proposed Ward, it is my opinion that the Proposed Ward is incapacitated **according to the legal definition in section 1002.017 of the Texas Estates Code, set out in the box above.**

If you indicated that the Proposed Ward is incapacitated, indicate the level of incapacity:

- Total**----- The Proposed Ward is totally without capacity (1) to care for himself or herself and (2) to manage his or her property.
- Partial**----- The Proposed Ward lacks the capacity to do some, but not all, of the tasks necessary to care for himself or herself or to manage his or her property.

If you answered "NO" to all of the questions regarding decision-making in Section 5 (on page 2) and yet still believe the Proposed Ward is **partially** incapacitated, please explain: _____

If you answered "YES" to any of the questions regarding decision-making in Section 5 (on page 2) and yet still believe the Proposed Ward is **totally** incapacitated, please explain: _____
