Internet Databases

www.Accurint.com

www.PublicData.com

www.Intelius.com

Social Media Sites

- MySpace.com – Early social media site, now nearly moribund. At one time, top social site in U.S.

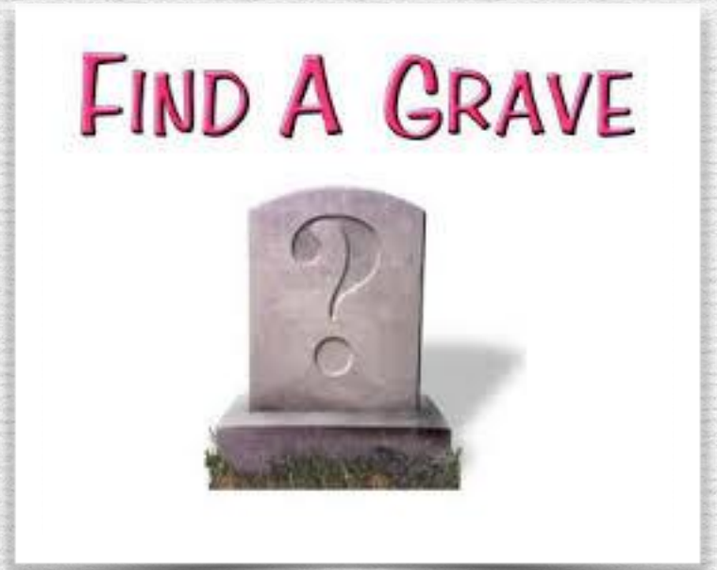
- Facebook.com – Giant in U.S. social media. 1.8B active users.

- Twitter.com – Unique social media site requiring posts less than 140 characters. A megaphone for your musings.

Genealogy Resources

ancestry.com

FamilySearch



Legacy.com

Governmental Sites

- PACER.com
- Social Security Admin. - SSA.gov
