

Harris County Employee Ethics Training

A new ethics training video for Harris County employees is now available online.

Through this short (only 23 minutes) presentation, you can expect to learn:

- The Four Commitments on which Harris County's ethics policies are based.
- The two ways employees can NEVER use county equipment or county time.
- How to exercise discretion fairly and impartially.
- How to deal with ethical dilemmas in the work place.

You can access this video online at <http://bit.ly/CountyEthicsTraining>
