

BUDGET PROCEDURES MANUAL FY2010-11

INTRODUCTION TO THE BUDGET PROCEDURES MANUAL

This manual is intended to serve as a comprehensive guide for all county budgeting policies and procedures. Each year as the budget process begins, the manual is revised and updated. **Please carefully review the Budget Manual.**

CONTENTS OF THE BUDGET MANUAL

This manual includes the budget schedule, budget forms, account coding system, miscellaneous forms and reports, and a purchasing information section.

The FY2010-11 Budget Request Forms are essentially the same as last year. Since the data for each form is generated based on your request, then all forms are required if you make a request applicable to that form.
