

The Children's Assessment Center

BREAKING THE SILENCE

A publication of The Children's Assessment Center, a safe place serving Harris County's sexually abused children.

The mission of The Children's Assessment Center is to provide a professional, compassionate and coordinated approach to the treatment of sexually abused children and their families and to serve as an advocate for all children in our community.

Deck the Halls...! 2007 Annual Holiday Events for the CAC Children

On December 12, 2007, The CAC held its annual Holiday Bash. This year did not disappoint! Children enjoyed cookie decorating with Jamie Zelko; Executive Chef of The Lancaster Hotel as well as decorating keepsake ornaments, face painting, caricatures, and bingo. Scrumptious refreshments were graciously donated by Whole Foods. Katie Maye the Clown and the HCSO finger printing crew helped round out all the fun activities! Last but definitely not least... an individualized gift and photo were giving out by our special guests: Santa and Mrs. Clause! A grand time was held by all!! Thank you to all our hard working community volunteers and CAC staff for putting on such a memorable and fun evening for the children! We could not due this without all our elves! A special thanks to Belinda Kelley. She whole-heartedly took on the project of redecorating all of The CAC's Christmas trees and wreaths. Thank you Belinda for turning our building into a bright and cheery winter wonderland!! Your talents are truly appreciated!!

The CAC toy drive was also a huge success! An enormous thank you goes to the Harris County Sheriff's Office for 12 years of continued support! On December 4, 2007 they unloaded an 18 wheeler full of toys! Their generosity made it possible for 500 children to receive gifts this holiday!

Throughout the month of December, The CAC Toy Drive had a countless number of individuals, partners and companies that provided 1500 children with holiday cheer! This tremendous outpouring of support made our Santa's Workshop a toy store delight!

An army of donors, volunteers and CAC staff make all our holiday events achievable—thank you for putting smiles on the children's faces and making their Christmas wishes come true!

Hello Everyone,

The holiday season at The Children's Assessment Center was truly a magical and memorable time. From all of our staff and partner agencies we extend a huge thank you to each of you for your commitment to making a difference for our children.

The toy deliveries and smiles

kept coming! Each day seemed to be better than the one before... from the group of volunteers who turned our building into a winter wonderland, to Harris County Sheriff Tommy Thomas and his deputies delivering an 18-wheeler full of toys, to our incredible party with volunteers painting faces, playing bingo and making holiday crafts and cookies, to the Bag Ladies with gifts for all the teens, not one child was forgotten and every child felt safe and special. Often times the holiday season can be very isolating and painful for our children and your support made a huge difference. Thank you for making it possible for us to end the year on such a happy and positive note.

As we look to the spring, The Children's Assessment Center is proud of our new initiatives toward prevention. We are very excited about a national grant we received from The Johnson & Johnson / Society for The Arts in Healthcare Partnership to Promote The Arts in Healing, the program is entitled "Safe Boundaries." This grant will allow sexually abused children to express their feelings through dance movement therapy while teaching them assertiveness skills in order to protect them from possible future victimization. In addition, we look forward to expanding collaborative efforts with our schools regarding training and prevention. Many exciting programs and initiatives are well under way so that we can continue to be a leader in the advocacy movement. We thank you for being part of our mission and for your commitment to protecting the children of our community.

Take care,

Elaine Stolte, Executive Director

Sylvia Brauer's 2nd Annual Bag Lady High Tea

Once again, the Bag Ladies have outdone themselves. On November 17, 2007, the hard working Bag Lady Host Committee hosted their 2nd Annual Bag Lady High Tea benefitting The Children's Assessment Center. Bag Ladies gathered from near and far sporting their fanciful plumes. Lady Elaine Rosen and Sir Richard Laminack graciously hosted the affair in their beautiful Memorial home.

In addition to raising funds and awareness of child sexual abuse and celebrating Sylvia Brauer's 66th birthday, the tea had another very special purpose. Elaine Stolte, Executive Director of The Children's Assessment Center was honored for her dedication and commitment to the sexually abused children of Harris County.

Much to Elaine's surprise, CAC

Foundation Board Members Sylvia Brauer, Yolanda Green and Christopher DeClaire further recognized Elaine for her leadership and commitment to the child advocacy movement by presenting a proclamation from The Honorable Ed Emmett, County Judge, declaring Saturday, November 17, 2007 as "Elaine Stolte Day" in Harris County. Elaine's husband, Mike and four children along with other relatives and many friends and colleagues were present to witness this great occasion.

The event was a huge success raising over \$33,000 with approximately 300 guests in attendance. Many thanks go to the Pat Huntington and CAC Board Member, Phyllis Williams who organized an incredible auction. With all of mingling

and bidding to be done, the guests were sure to be hungry. Luckily, that was no problem as our gracious hosts Elaine and Rick provided a feast fitting of a Lord and Lady.

The Children's Assessment Center is truly grateful to Sylvia Brauer, the Bag Ladies and to Elaine Rosen and Rick Laminack for their generous gifts of time and resources!
