UNREPRESENTED PARTY AGREEMENT TO MEDIATE

Failure to sign this document will result in the cancellation of mediation.

I agree that:

1. I understand that the mediator is not my legal counsel and will not provide me any legal advice;
2. The mediator will, at his or her sole discretion, select the mediation model to be used;
3. That if, in the mediator's sole opinion, I do not demonstrate an adequate comprehension of the issues or the significance of the proceedings, the mediator reserves the right to request that I seek legal counsel before proceeding further, and should I refuse such a request, the mediator may terminate the mediation process at any time;
4. I will participate in good faith and in a spirit of open and full disclosure;
5. I will not call the mediator as a witness in any legal or administrative proceeding concerning this matter;
6. I will not subpoena or call for the production of any records, notes, or work product resulting from this mediation and/or program evaluation;
7. I will not repeat information disclosed during the mediation process to anyone not attending the mediation, unless that information would be deemed independently discoverable outside of the mediation proceeding;
8. I have signed this agreement with free will and full understanding;
