Employee Resource Guide 2017/2018
The benefits described herein are effective March 1, 2017 through February 28, 2018. If there is any variation between the information provided in this Guide, the Plan Document, or the Group Contracts, the Plan Document and Group Contracts will prevail. This guide briefly describes the benefits offered to you and your family. It is not intended to modify the group policies and/or contracts between the carriers and the County.

You may obtain a detailed description of coverage provisions including the Summary of Benefits Coverage (SBC) and the Glossary of Terms - both of which are available in English & Spanish - and/or the Summary Plan Document (SPD) from Human Resources & Risk Management (HRRM) Employee Benefits. They are also available on the HRRM website at harriscountytx.gov/hrrm. See page 1 for additional information.

2017 - 2018 PLAN CHANGES

Harris County has chosen Cigna’s Open Access Plus plan that combines the enhanced benefits of providers who participate in an extensive provider network, as well as the limited availability of benefit coverage for non-participating providers. Cigna will administer Harris County’s medical plans, prescription drug plan, Employee Assistance Plan (EAP), managed behavioral health, and flexible spending accounts for the 2017-2018 plan year.

Harris County members will now be covered under Cigna’s Value Prescription Drug List. Please refer to this list at harriscountytx.gov/hrrm/cignavalueprescriptiondruglist to see if your drugs are covered.

In compliance with the Affordable Care Act, the Maximum Out-of-Pocket for in-network services for Individual/Family is now: Base Plan $7,150/$14,300; Healthy Actions Medical Plan (HAMP) Base $6,650/$13,300; Plus Plan $6,150/$12,300; and HAMP Plus Plan $5,650/$11,300. The deductible, coinsurance, medical and prescription drug copays will be applied to the maximum out-of-pocket.

IMPORTANT MESSAGE REGARDING YOUR 2016 FEDERAL INCOME TAX RETURN

The Affordable Care Act requires Harris County to send an annual statement to all employees eligible for health insurance coverage describing the insurance available to them. The Internal Revenue Service (IRS) created Form 1095-C to serve as that statement. This form will be mailed directly to your home address in January 2017.

What you need to do:
1. Provide Required Information: We need specific information on people enrolled in the health plan in order to provide you a complete 1095-C. If we do not have accurate Social Security Numbers on every dependent, the IRS may impose a penalty for non-compliance.
2. Ensure that your mailing address is correct in the County’s payroll system. It’s important because you will need information on the form to prepare your 2016 taxes.

PLAN DOCUMENTS

The Summary of Benefits Coverage (SBC), provided separately from the Resource Guide, summarizes the key features of our medical plans including: covered benefits, cost-sharing, coverage limitations, and exceptions.

The Glossary of Health Coverage and Medical Terms will help you understand some of the most common language used in health insurance documents.

Both the Summary of Benefits Coverage and the Glossary of Health Coverage and Medical Terms are available in English and Spanish versions on the Harris County website at harriscountytx.gov/hrrm.

You may obtain a printed copy of the SBC or the Glossary of Health Coverage and Medical Terms at no charge by contacting the Benefits Division at 713.274.5500, or toll free at 866.474.7475 and it will be sent to you within seven days.

NOTICE OF PRIVACY PRACTICES

This Notice describes how medical information about you may be used and disclosed and how you can request access to this information. Review it carefully.

This Notice is for participants and beneficiaries in the Plan. As a participant or beneficiary of the Plan, you are entitled to receive this Notice of the Plan’s privacy practices with respect to your health information that the Plan creates or receives (your “Protected Health Information” or “PHI”). Our “Notice of Privacy Practices” was updated to comply with new changes to the Health Insurance Portability and Accountability Act (“HIPAA”) effective as of March 26, 2013.

This Notice is intended to inform you about how we will use or disclose your PHI, your privacy rights with respect to PHI, our duties with respect to your PHI, your right to file a complaint with us or with the Secretary of the United States Health and Human Services (“HHS”), and how to contact our office for further information about our privacy practices. This Notice and the most updated “Notice of Privacy Practices” will be posted at harriscountytx.gov/hrrm, or you may request a copy by calling 713.274.5500.
Open enrollment for the 2017/2018 plan year will be conducted from January 1 through January 31, 2017. Please contact your department’s Benefits Coordinator for your department’s deadline. Changes become effective March 1, 2017. You should carefully consider the insurance plans available to you and your dependents.

All employees are automatically enrolled in the Base Medical, DHMO Dental, and Vision plans. Medical and dental plans each offer two options. Select your plan, then choose whether to enroll your eligible dependents. Reference pages 19-21 for medical plan details and pages 27-30 for dental plan details. Everyone in your family must be in the same plan.

We recommend you consider purchasing Optional LTD and Life insurance to enhance financial security in the event of an unexpected life change.

Our program allows you to customize your benefits package to best suit your needs and the needs of your family. Open enrollment is your opportunity to make allowable changes in your benefits for the forthcoming year.

Your Options:
- Change your medical and/or dental plan
- Add and/or drop dependents
- Purchase or discontinue Optional Life insurance or Optional LTD
- Flexible Spending Account enrollment/disenrollment

To complete the process, sign your confirmation form and return it to your Benefits Coordinator/Payroll Clerk with the necessary documentation.

Harris County determines benefits, eligibility, and contributions for employees and their dependents subject to amendment and discontinuance at any time.

Choices made during open enrollment will remain in place until the following plan year.

Employees who fail to return their completed form will be defaulted to their benefit selections made for the 2016-2017 plan year.

All full-time employees are automatically enrolled for Basic Life and LTD coverage. Employees may purchase Optional Life up to three times their annual salary. Optional LTD is also available for purchase. Reference pages 32-34 for plan details.

Failure to drop dependents when required under this health plan may be considered insurance fraud and may result in a referral to the District Attorney’s office for investigation. Any employee committing insurance fraud will be liable to reimburse the County for any claims activity.

Any questions concerning effective dates can be directed to your department’s Benefits Coordinator/Payroll Clerk.
QUALIFIED STATUS CHANGE / DEPENDENT ELIGIBILITY

Employees may experience life changes during the calendar year that would allow them to add or drop a dependent. Employees must submit a Health & Related Benefits Change form to make changes.

Qualified Status Changes include:

- Birth of your child
- Adoption or placement of a foster child
- Marriage, divorce, or death
- Spouse and/or dependent gains or loses coverage through employment
- Significant change in the financial terms of health benefits provided through a spouse’s employer or another carrier
- Unpaid leave of absence taken by employee or spouse
- Changing a dependent care provider or having a significant increase or decrease in provider payment
- Gain or loss of eligibility for Medicare or Medicaid
- Loss of State Children’s Health Insurance Program (SCHIP), but not gain of SCHIP benefits

Spouse: A filed copy of a Formal Marriage License or Certificate of Informal Marriage. Any documents written in a foreign language must be accompanied by a certified English translation.

Children: A birth certificate listing the employee as the parent. A certificate of birth facts may be submitted up to age of five; however, a birth certificate is required for age five and up. Coverage is available up to age 26.

Legal Custody or Guardianship: Court documents, signed by a judge, granting permanent legal custody or permanent legal guardianship to employee. Coverage is available up to age 18.

Stepchildren: A birth certificate or other court document listing the employee’s spouse as parent of the child, and the marriage license of the employee and parent of the child. Coverage is available up to age 26.

Grandchildren: A Certification of Financial Dependency form (obtain from department Benefits Coordinator), a birth certificate of the grandchild, and a birth certificate of the grandchild’s mother or father. The grandchild must be related to the employee by birth or adoption and cannot be your spouse’s grandchild. The grandchild must be claimed as a dependent on the employee’s Federal Tax return every year to remain on the plan. A Grandchild Audit occurs in June of each year. Coverage is available up to age 26.

Adopted Children: Certified copy of court order or paperwork placing child in your home.

Foster Children: Foster care placement agreement between the employee and the Texas Department of Family & Protective Services or its subcontractor. Coverage is available up to age 18.

MEDICAL SUPPORT NOTICES

Upon receipt of a Medical Support Notice from the Texas Attorney General or presiding court, or upon receipt of any similar such legal mandate by a court or agency having jurisdiction over the County, the County must comply with any such directive, subject to the terms of our plans. Such directives may not be overturned except through revised documentation received from the applicable agency overturning any prior directives. No refunds will be issued.
CHOOSING THE BEST PLAN FOR YOU AND YOUR DEPENDENTS

Choosing the best plan should be based on several things such as your personal medical condition and usage of services, financial situation, and your level of comfort with coinsurance vs. copayments. The following may assist you in the decision-making process.

**Copayment:** predetermined dollar amount you will pay for a service (e.g., physician visits, convenience care clinics, urgent care centers, physical therapy, counseling).

**Coinsurance:** percentage employee is responsible for paying up to a specific dollar amount per calendar year. Covered services are paid from 50%-100% depending on the plan selected, service rendered, and place of service.

**Deductible:** initial out-of-pocket costs that must be paid before the plan begins to pay benefits.

The **Base and HAMP Base** plans have set copayments for some in-network services, but require coinsurance for ambulance, durable medical equipment, hearing aids, complex imaging, home health care, hospice, inpatient hospitalization, outpatient surgery, physician hospital services, private-duty nursing, and skilled nursing facility. The **Base** plan has a $600 per individual in-network deductible with an individual maximum out-of-pocket limit of $7,150 per calendar year. The **HAMP Base** has a $300 per individual in-network deductible with an individual maximum out-of-pocket of $6,650 per calendar year.

The deductible and coinsurance only apply where services are not indicated as set copayments. Copayments do not apply to the annual deductible.

The **Plus and HAMP Plus** plans have a $0 in-network deductible, set copayments for most in-network services, and an individual maximum out-of-pocket limit of $6,150 and $5,650 respectively per calendar year. However, these plans have a higher monthly premium contribution.

Your Cigna Open Access Plus Plan does not require you to select a network primary care physician (PCP), although selecting a PCP is encouraged. These plans also allow you to self-refer to a specialist. Your choice of provider dictates the amount you will pay in copayments, coinsurance and/or deductibles.

OUT-OF-NETWORK COVERAGE

Harris County has limits on authorized costs associated with Out-of-Network facilities/providers. In an effort to maximize the highest level of benefit coverage, advise your participating physician to refer you only to in-network facilities and providers with Cigna. This will result in savings for both you and the county.

To help curb excessive out-of-network facility/provider costs, the county has established a Limited Out-of-Network reimbursement that limits the Plan’s exposure to unreasonable costs for non-emergency services and procedures. If you use an out-of-network facility or provider, you will be responsible for paying the difference between the covered amount and the amount the facility charges. Non-covered expenses will not apply to your out-of-pocket maximum.

It is YOUR responsibility to make sure your physician, facility, or hospital is in-network or you will pay out-of-network costs. You can help keep costs down by using in-network providers.

**NOTE:** If you are currently on dialysis, coverage is provided in-network ONLY.

**Step 1:** Go to [www.cigna.com](http://www.cigna.com), click on “Find a Doctor” at the top of the screen. Then select the orange box that reads “For plans offered through work or school.” (If you already have a Cigna plan, log in to [mycigna.com](http://mycigna.com))

**Step 2:** Choose whether you’re looking for a doctor or a place to receive medical care.

**Step 3:** Enter the geographic location you want to search.

**Step 4:** Select one of the plans offered by your employer during open enrollment. Under “OAP” select the first radial button for “Open Access Plus, OA plus, Choice Fund OA Plus”.

**Step 5:** Enter a name, specialty or other search word. Click SEARCH to see your results.

That’s it! You can also refine your search results by distance, years in practice, specialty, languages spoken and more.

LAB SERVICES

You must obtain your lab services through a Cigna contracted lab. Cigna is contracted with two of the largest national labs, LabCorp and Quest Diagnostics, as well as several regional and local labs. It is the member’s responsibility to ensure the lab you use is contracted with Cigna, otherwise the claim will be considered out-of-network.

› Get a pregnancy journal with tips, charts and tools to help you have a happy nine months.

Learn as much as you want
As a Cigna customer, you also have access to our Health Information Line where you can get live support 24 hours a day, 7 days a week. Just call the number on your Cigna ID card to:
› Talk to a nurse who can help you with everything from tips on how to handle your discomfort during pregnancy, to what foods to skip, birthing classes and maternity benefits.
› Listen to an audio library on maternity and a broad set of health topics.
› Visit mycigna.com for tools to help you track your pregnancy week by week, prepare for giving birth and care for your baby.

If you or a covered member of your family is pregnant, contact Cigna to pre-certify the pregnancy at 800.Cigna.24 (800.244.6224).

CIGNA CARE DESIGNATION

Cigna Care is a designation for specialists in Cigna’s Open Access Plus network that have met certain standards for clinical performance and efficiency. These standards include managing Cigna patient volume, adhering to clinical guidelines, external recognition, board certification information specific to the physician’s Cigna Care specialty, and demonstrating overall effectiveness in the delivery of care.

Cigna Care specialists are available in the following care categories:

- Family Practice (Primary Care)
- Pediatrics (Primary Care)
- Internal Medicine (Primary Care)
- Allergy and Immunology
- Cardiology
- Cardiac-Thoracic Surgery
- Dermatology
- Ear, Nose and Throat
- Endocrinology
- Gastroenterology
- General Surgery
- Hematology and Oncology
- Nephrology
- Neurology
- Neurosurgery
- Obstetrics and Gynecology
- Ophthalmology
- Orthopedics and Surgery
- Pulmonary
- Rheumatology
- Urology
- Orthopedics and Surgery

For example, if you obtain specialty services from a Cardiologist or Neurologist, or any other Cigna Care specialty, you will have a $40 copay on the Base Plan, a $35 copay on the HAMP Base Plan, a $30 copay on the Plus Plan, and a $25 copay on the HAMP Plus Plan. However, if you seek specialty services through a Cigna Care specialty category such as cardiology and do not see a Cigna Care designated cardiologist, your copay on the Base Plan is $50, on the HAMP Base is $45, on the Plus Plan is $40, and the HAMP Plus is $35.

Using Cigna Care designated providers will save you $10 per visit on copays. To find a Cigna Care specialist, log in to cigna.com and select “Find a Doctor.” Cigna Care specialists are indicated with a blue “C”.

A COMPREHENSIVE LIST OF PARTICIPATING PROVIDERS

Available at cigna.com. Contracted providers may have more than one office and it’s possible that one or more offices are not considered “in-network.” To avoid additional costs, please make sure that the provider you are seeing is “in-network” at the location of your visit.

If a provider orders a test or procedure for you, be sure to ask if it is experimental or investigational. If so, contact Cigna customer service before proceeding as it may not be covered. Some procedures must be pre-certified.

HAMP is not available to retirees. If you are in the HAMP Base or HAMP Plus and retire, your plan will change to the Base or Plus Plan, respectively.
PERSONAL HEALTH RECORD / Powered by WebMD

You can make history by putting the Personal Health Record to work for you. This secure, private, online resource makes it easy for you to view, access, and manage your health information—and share it with your doctors.

- Keep your health information in one place—it’s always available for you to access in an emergency.
- Share your history with your doctor by printing your record and taking it with you to your next visit.
- Maintain or even improve your health. Based on your health profile provided by insurance claims and information you enter yourself, the Personal Health Record generates personalized health-related alerts and reminders that can help you address your health needs in a timely manner.
- With your username and password, you control who sees your information. You may add information to the record at any time.
- It’s easy to get started! Just create a username and password on the secure member website at mycigna.com.

CIGNA EMPLOYEE ASSISTANCE PROGRAM

Confidential assistance is available 24 hours a day, 7 days a week when using Cigna’s Employee Assistance Plan (EAP).

This is a service provided as part of your benefits to you or any member of your household at no additional cost. You can turn to Cigna’s Employee Assistance Plan (EAP) for help with anything that interferes with your job or personal life such as:

- Anger management
- Anxiety
- Burnout
- Depression
- Stress management
- Coping with change
- Substance abuse/misuse
- Marital/relationship problems
- Child and elder care
- Family or parenting issues
- Work/life balance
- Financial issues
- Legal concerns
- Self-esteem

Cigna’s EAP understands that some days it can be tough to manage the competing priorities in our lives and keep them running smoothly. Sometimes life can become work and work can become your life. Either way, they are there to help you balance the two. Maybe you just need someone to talk to about a recent transition or conflict at work, or maybe you’re looking for some guidance with your personal relationships.

Benefits of Cigna’s EAP

- 8 FREE face-to-face counseling sessions per issue, per year
- Free initial legal consultation and discounts on continuing legal consultation services
- Free initial financial consultation
- Online discounts and access to a full range of web-based tools and resources
- Most importantly, all information is confidential between Cigna EAP and you

Most people think of an EAP as a place to call when they have a crisis or an urgent need for emotional or mental health support. Cigna’s EAP removes the stigma that often comes with the term EAP and continues to provide that same level of support while adding assistance with the following:

- Work/life balance
- Improved lifestyle
- Better physical and mental health
- Total well-being

What are you waiting for?
Visit cignabebehavioral.com and enter Employer ID: hctx
or call 888.259.6279
Assistance is just a phone call or click away for free services!
Don’t use an Emergency Room when a visit to a physician’s office, convenience care clinic, or urgent care center is adequate! Use the lowest level of care appropriate for your immediate need.

## Convenience Care Clinics
When you need routine medical care, but can’t wait for a doctor’s appointment, convenience care clinics offer quality, affordable medical care for things such as sinus infections, rash, earache, minor burns, etc. Your in-network copay at the convenience care clinics is only $30 Base/$25 HAMP Base Plan and $25 Plus/$20 HAMP Plus Plan.

## Urgent Care Centers
Urgent care facilities generally result in shorter wait times, lower expenses, and less out-of-pocket cost (vs. emergency rooms) for employees since the copayment is $50 per visit versus the hospital emergency room copayment of $300.

Urgent care facilities fill a critical need for patients when they are seeking immediate care that is not life-threatening and their general practitioner is unavailable. If a patient feels like their situation is life-threatening, they should seek help in the appropriate setting or call 9-1-1. Employees should continue to coordinate their care with the advice of their primary care physicians.

Advantages: Lower copayment & shorter wait time.

### What are Standalone ERs?
Many standalone emergency care centers are located near high-end shopping for easy consumer accessibility and convenience; however, they charge double or triple the amount of a physician’s office or urgent care center and are NOT designed to treat life-threatening illness.

Your copayment will be $300 and you may have to pay additional fees for transport and admission to a hospital. We urge our employees and their dependents to be responsible, educated health care consumers when determining the appropriate treatment facility.

### Hospital Admission & Emergency Room Information
If a member is admitted to an out-of-network hospital through the emergency room, clinicians from Cigna’s Utilization Management area will confirm the admission was clinically necessary. If it is determined the admission is not a true emergency, it will be covered at the out-of-network benefit level. This means you will have to pay a larger portion of the bill at the out-of-network hospital.

Occasionally members brought to the emergency room are not admitted, but are placed under observation. Coverage for observation in a hospital emergency room is limited to 24 hours. At such time, the member must either be admitted or discharged, but cannot remain in holding in the emergency room or the balance may be billed by the provider.

This summary is intended for reference purposes only, and medical conditions vary by individual. Always use your best judgment when seeking treatment for you and your family.

CIGNA VALUE PRESCRIPTION DRUG PLAN

When it comes to prescription medications, you and your doctor usually have a choice between brand name and generic medications. Generic medications offer the same strength and active ingredients as brand name but often cost much less, in some cases up to 80-85% less.

Effective March 1, 2017 Harris County members will be covered under Cigna’s Value Prescription Drug List which features generic and low-cost brand medications for all covered conditions. This list can be found at cigna.com or online at [http://www.harriscountytx.gov/cmpdocuments/63/doc/cigna2017valuedruglist.pdf](http://www.harriscountytx.gov/cmpdocuments/63/doc/cigna2017valuedruglist.pdf).

You may be taking a medication that is no longer covered under our plan. If so, you should talk with your doctor to find out which covered generic or brand alternative will work for you. If your doctor feels the covered alternative medications aren’t right for you, he or she can ask Cigna to consider approving coverage of your medication. If you continue to fill a prescription for a medication that’s no longer covered, you’ll have to pay the full cost of the medication.

CIGNA PREVENTIVE GENERICS DRUG LIST

Your health and well-being is most important, and we want you to be at your 100% best. Getting the right preventive care services at the right time can help you stay healthy. Preventive medications are used for the prevention of conditions such as high blood pressure, high cholesterol, diabetes, asthma, osteoporosis, heart attack, stroke and prenatal nutrient deficiency.

Harris County and Cigna are offering certain generic medications for the conditions listed above at no cost share to you. The drugs covered under this program can be found at cigna.com or online at [http://www.harriscountytx.gov/cmpdocuments/63/doc/2017preventivegenericsdruglist.pdf](http://www.harriscountytx.gov/cmpdocuments/63/doc/2017preventivegenericsdruglist.pdf).

SPECIALTY RX AND/OR SELF INJECTIBLE DRUGS

Specialty medications and/or self injectible drugs are available only for a 30-day supply through a network retail pharmacy, Cigna’s Specialty Pharmacy, or a Cigna designated and approved provider.

CIGNA RX STEP PROGRAM

Precertification is required for angiotensin receptor blocker (ARB drugs), angiotensin converting enzyme inhibitor (ACE inhibitors), statin (cholesterol), and diabetic prescriptions.

With step-therapy, certain medications will be excluded from coverage unless one or more “prerequisite therapy” medications are tried first, or unless the prescriber obtains a medical exception.

The plan will not cover certain step-therapy drugs if your prescriber does not prescribe a prerequisite drug first or fails to obtain a medical exception unless the corresponding prerequisite therapy drug(s) are used first.

Prerequisite therapies and any medical exception prescriptions will be subject to dose and quantity recommendations outlined by the manufacturer.

GET DRUG COSTS

Before you go to the pharmacy or mail your prescription to Cigna Home Delivery, check Cigna’s Drug Price Quote Tool. It provides cost information for prescriptions at both retail and mail order so you can determine the least expensive method prior to having the prescription filled.

You can also use this online feature to obtain information about less expensive bioequivalent or therapeutic alternatives, or contact a pharmacist at 800.Cigna.24.

**Other Helpful Prescription Drug & Medical Information**

### 90-Day Prescription Refills
Filling your maintenance medications just got easier! You can now fill your maintenance medicine in a 90-day or 30-day supply at a retail pharmacy. Cigna offers a new retail pharmacy network that gives you more choice in where you can fill your 90-day prescriptions. Some major pharmacies include: CVS (including Target), Walmart and Kroger. Go to [Cigna.com/Rx90network](http://Cigna.com/Rx90network) for more information. You can also use Cigna Home Delivery to fill your prescriptions.

### Filing Paper Claims for Your Prescriptions?
Talk to your pharmacist about calling Cigna Pharmacy Management for assistance in submitting your claim electronically, especially if you have two insurance carriers.

### Faxing Prescriptions
Physicians can fax prescriptions for mail order processing. The prescription must be submitted on the physician’s office letterhead and must include the member’s name and Cigna identification number. Prior to processing faxed prescription(s), the member must have completed and submitted a Cigna Home Delivery registration form. Members cannot fax prescriptions for filling via mail order.

### Multiple Prescriptions
If you submit new prescriptions all on one script, and not all are available at one time, the order could be delayed by 24-48 hours. If the remaining prescription(s) are not available within the 7-10 day processing period, the order will then be split into two separate orders in an effort to avoid further delay.

### Maintenance Prescriptions
If you recently filled a maintenance prescription and your physician changed/increased your dosage, or if you are just reordering the maintenance medication and you are sending in a new prescription, you must have used 2/3 of your prescription prior to mailing in your new prescription.

### Taking a Trip?
If you know you will run out of your prescription medication, and it is too soon to refill prior to your departure, call Cigna Pharmacy Management for a “Vacation Override” at 800.Cigna.24. You will need to provide your departure date and return date to the representative. Medication can be picked up as early as 3 days prior to your vacation departure date. In most instances you will receive a maximum three-month supply of medication.

### 24 Hour Health Information Line / 24HR HIL
24hr HIL gives you easy access to credible health information. All health info line services are available 24 hours a day, 365 days a year, on demand from your touch-tone phone. You can reach the 24 hour Health Information Line by calling 800.Cigna.24 (800.244.6224).

DURABLE MEDICAL AND SURGICAL EQUIPMENT (DME) IS A COVERED BENEFIT

DME coverage is based on the following conditions:
No more than one item of equipment for the same or similar purpose, and the accessories needed to operate it, that is:
- made to withstand prolonged use;
- made for and mainly used in the treatment of a disease or injury;
- suited for use in the home;
- not normally of use to a person who does not have a disease or injury;
- not for exercise or training.

The accessories needed to operate your Durable Medical Equipment (DME) are covered under your DME benefit at 90% after deductible for HAMP/Base members and at 100% for HAMP/Plus members when using in-network providers.

BREASTFEEDING SUPPLIES & LACTATION SUPPORT

To receive a complimentary breast pump, you must obtain a prescription from your OB/GYN and present it to a participating Durable Medical Equipment (DME) provider. For a list of providers, go to cigna.com.

Includes the rental of one breast pump, per birth as ordered or prescribed by physician. Includes related supplies.

Six visits per year to a qualified lactation consultant for either individual or group classes. Any additional visits (7+) will be covered according to the plan’s provisions.

FINANCIAL PLANNING FOR THE FUTURE IS NECESSARY FOR A COMFORTABLE RETIREMENT

What is a 457 plan and do I need it?
The 457 deferred compensation plan (deferred comp) is a voluntary retirement plan that your employer offers so you can put even more money toward retirement directly from your pay. It’s designed to be a supplement to your pension and is an additional way to invest long-term. Deferred comp can help you create a more financially secure future for you and your family. It can provide a simple approach for you to enjoy the benefits of long term investing. You’re in control of how to use deferred comp to help achieve your goals.

How much money do you need when you retire?
The amount is different for everyone, but experts say you generally need 70 to 90 percent of your current income to maintain your current standard of living. It’s important to know the difference between what you’ll have (from your Social Security, pension, and personal savings) versus what you’ll need in retirement. Contributing to a deferred comp plan can help bridge that gap.

What are the benefits of a tax-deferred plan?
Tax deferred means your money goes into your account before taxes come out of your check. For example, let’s say you pay around 25% in income taxes. Because you contribute to your deferred comp plan pre-tax, putting $100 in your account only costs you $75 from your take-home pay. When you make withdrawals from the account in the future, you will have to pay income taxes.

Roth 457 Accounts
Harris County employees also have the opportunity to participate in Roth 457 accounts through one of Harris County’s deferred compensation vendors. When you contribute to a Roth 457, you pay taxes on the portion of your salary that goes into the plan; however, withdrawals of contributions and earnings can be tax free during retirement if certain conditions are met. If you wish, you can even split your contributions between traditional pre-tax contributions and Roth after-tax contributions.

How do you put money into your account?
Contact one of the Deferred Compensation vendors for guidance and additional information. If you decide to participate, complete the county Auditor’s Form 777—Payroll Deduction Agreement for automatic deductions from your paycheck. The minimum deduction is $25 per month.
FLEXIBLE SPENDING ACCOUNTS

SHOULD I ELECT TO PARTICIPATE IN A FLEXIBLE SPENDING ACCOUNT?

A Flexible Spending Account (FSA) is a special non-taxed account designed to save you money on health care and dependent care expenses. Section 125 of the Internal Revenue Code allows you to pay for your portion of the cost of certain employee benefits before federal income and social security taxes are withheld from your pay. That means you will pay less in taxes and have more disposable income; however, there are certain limitations. Generally, after you make your health insurance coverage decisions, you may not change your mind in the middle of the year unless there is a qualifying change in your family circumstances.

You elect an annual amount to contribute to your accounts, and these funds are transferred automatically from your paycheck into your FSA before taxes are calculated. Because this money is deducted pre-tax, you automatically save an average of 20-35% depending on your tax bracket.

You can contribute $216 per month ($2,592 per year) in your Health Care FSA for the March 1, 2017 to February 28, 2018 plan year. The minimum amount you can contribute is $25 per month. You then use the tax-free dollars you set aside to pay for eligible expenses incurred from 3/1/17—5/15/18 for out-of-pocket health, dental, and vision expenses for you, your spouse, and your dependents.

Cards will be automatically issued to the employee and enrolled spouse.

Employee can call to request cards for enrolled dependent children.

Cards are good for 3 years.

ESTIMATING YOUR MONTHLY DEDUCTIONS

When you enroll, it is important to carefully estimate your eligible expenses for the upcoming year. Review how much you spent for physician, prescription, dental, vision, hospital, or other copayments over the past year. If you haven’t kept track of your expenses, you can log on to mycigna.com and review your claims history to provide you with the necessary information. This will help you estimate how much should be deducted from each paycheck.

Remember, even if you don’t cover your dependents on your insurance, you may still file their claims on your Health Care FSA as long as you claim them on your federal income tax return as dependents.

Don’t over-estimate! IRS Regulations state that any money left in the FSA at the end of the plan year, plus a 2-1/2 month grace period, is forfeited. Contribution changes are only permitted in the event of a qualified status change.

Can I save time by having my claim reimbursements direct deposited into my bank account?
Absolutely. You may enroll by going to mycigna.com or by completing the direct deposit form. Reimbursement funds will appear in your bank account approximately five (5) business days from the day that Cigna processes your claim. The direct deposit will be reflected in the “check stub” portion of your Health Care FSA Explanation of Payment (EOP). The EOP will state the amount of the reimbursement, when the electronic funds transfer was made, and when the funds will be posted to your bank account.

What if I terminate my employment or retire?
Your participation in any FSA program will end. Any contributions made while you were an active employee must be spent before your plan participation ends. All claims incurred while actively at work must be filed by August 15, 2018.

Can I use my Flexible Spending Account Debit Card for expenses other than prescriptions?
The Cigna Flexible Spending Account Debit Card can be used to pay eligible expenses at your health care professional’s office, dentist’s office, pharmacies, and hospitals. Most, but not all debit card transactions, will be automatically substantiated; however, in some cases, you may be asked to submit proof, such as an itemized receipt of your debit card purchases.

The Dependent Care (DC) FSA lets you use tax-free dollars to pay for the care of your child (under age 13, or physically/mentally handicapped older dependents) and elder dependents while you are at work.

Eligible expenses include:
- Day care
- Before and after school care
- Pre-school tuition
- Babysitting
- Day camp

For a list of eligible Dependent Care expenses go to mycigna.com.

The Dependent Care FSA works a little differently than Health Care FSAs in that it is not “pre-funded” and is similar to a checking account.

This means that you can only be reimbursed for an amount up to the total you have deposited into your account at any given point in the year. Each time you pay your day care (or other approved provider), you can file a claim for reimbursement of funds available.

Keep in mind that any unused funds in your Dependent Care FSA do not roll over from year to year and will be forfeited if not used.

When estimating, consider things such as vacation and holidays when your child will not be in school or day care.

Dependent Care Benefits require manual claims submission either via mail or fax to Cigna’s FSA department.

Flexible Spending Accounts for the 2017-2018 plan year will not be set up and available for your use until your first paycheck of the new plan year. For bi-weekly employees, the date will be March 10, 2017. Employees paid monthly will have their accounts available on March 31, 2017. You will not receive your Cigna FSA debit card until 10 business days after your account is set up.
**OPTIONS:** Harris County offers your dental benefits through UnitedHealthcare Specialty Benefits and continues to provide two dental options: A Dental Health Maintenance Organization (DHMO) and a Dental Preferred Provider Organization (PPO) plan.

Either plan is available to employees at no cost. If you choose to enroll your dependents, you will be responsible for their portion of the monthly premium.

**QUESTIONS?** UnitedHealthcare Customer Service staff are available Monday-Friday, 7 a.m.-10 p.m. CST at 866.528.6072 (select “0” to speak to a representative).

You can check eligibility, claims, and determine out-of-pocket costs by using the Treatment Cost Calculator. You can also print or request your plan information online or through advanced telephone technology at 866.528.6072.

**REGISTER ONLINE:** yourdentalplan.com/harriscounty. You can register online (registration and login button located at the bottom center of the home page), or call the toll-free number on your member ID card and follow the prompts for IVR (Interactive Voice Recognition) assistance.

*Benefits for the UnitedHealthcare Dental DHMO plans are provided by the following: UnitedHealth Group Company, National Pacific Dental, Inc.*

**Benefits for the UnitedHealthcare Dental PPO plans are provided by UnitedHealthcare Insurance Company, located in Hartford, Connecticut.*

### UnitedHealthcare Dental HMO*
- No calendar year maximums; no yearly deductibles
- Basic care provided by network general dentists selected at enrollment. Members may change their designated dentist by contacting UnitedHealthcare Dental customer service by the 20th of the month. Requested changes will be effective the first of the following month.
- Each family member may select a different UnitedHealthcare Dental network general dentist (remember to include the Practice ID number when enrolling).
- Covered procedures and copayments are listed on the Schedule of Benefits and may be found at: yourdentalplan.com/harriscounty
- When specialty care is required, your selected general dentist and UnitedHealthcare Dental Customer Service Representative will assist in managing your referral.
- No waiting periods.

### UnitedHealthcare Dental PPO**
- $1,750 calendar year maximum; $50 yearly individual deductible ($150 for family)
- You may receive care from any licensed dentist; network dentists have agreed to accept negotiated fees as payment in full with no “balance billing” for covered services.
- Non-network dentists could “balance bill,” which may result in higher out-of-pocket costs. For more information, see the Benefit Summary or determine out-of-pocket costs by using the online Treatment Cost Calculator.
- In-network claims are paid based on the percentages and network discounts. Out of network claims are paid based on percentages of Maximum Allowance Charge (MAC).
- If you require specialty care, you may see any specialty care dentist you choose. When you receive care from a network dentist, you may save on your cost of care.
- New enrollees: 6-month waiting period on endodontic procedures and all major services (new employees and newly-added dependents of current employees).

*Adult & child orthodontics is included in the DHMO plan.*

Orthodontia is not a covered benefit in the PPO plan.

No claim forms are required.

Claim forms may be required when a non-network dentist is used.
CHOOSING THE RIGHT DENTAL PLAN FOR YOU AND YOUR FAMILY

**Which plan is best for me?**
The DHMO plan provides comprehensive dental care with defined copayments for each covered procedure. You select a participating DHMO dentist from a network of providers and follow the plan rules/guidelines for services provided.

The PPO plan offers members a choice of dentists in-network, and the option to go out-of-network for services at a higher cost share. The plan includes an annual deductible and a calendar year maximum. With this plan, you pay a higher percentage of costs for services.

Choose the plan that best suits your needs for the upcoming benefit year.

**UnitedHealthcare PPO Plan**
There is no need to pre-select a dentist - you can receive treatment from any dentist, network or non-network. If you decide to use a network dentist, you can log on to yourdentalplan.com/harriscounty to browse the Dental Directory or Dentist Locator to help you find a dentist. When choosing a dentist, you could save on your out-of-pocket costs by selecting an in-network UnitedHealthcare dentist. Network dentists have agreed to negotiated fees as payment in full with no balance billing.

**Your PPO Costs**
Payment of claims is based on negotiated discounts with network dentists. Payment of non-network claims is based on a Maximum Allowable Charge (MAC). The Maximum Allowable Charge is set by UnitedHealthcare Dental. This MAC is the most that United Healthcare Dental pays for a plan’s covered dental procedure when a non-network dentist is used.

A Summary of Benefits includes the information about percentage of coverage by procedure category along with Exclusions & Limitations. After reviewing the plan documents, if you have any questions, a customer service representative will be happy to help you. Or, you may download a copy of the Certificate of Coverage at harriscountytx.gov/hrrm.

**Included with your PPO Dental Plan**
- **Prenatal Dental Care Program**: Women in their second and third trimesters are eligible for this program. When visiting your dentist, you need to supply the name and contact number of your OB/GYN. You will then receive additional cleanings or periodontal maintenance, at little or no cost, if the need is determined by your dentist.

**Oral Cancer Screening**
Individuals who are determined at-risk by their dentist and are 30 years of age or older may be eligible for this once-yearly, light-contrast screening.

**UnitedHealthcare DHMO Plan**
Remember to select a dentist from the United Healthcare Dental Directory or Dentist Locator on yourdentalplan.com/harriscounty for you and each of your enrolled dependents. Indicate the Practice ID Number in the space on your enrollment form for each person enrolled.

You can obtain a complete Schedule of Benefits with covered procedures and copayments along with Exclusions & Limitations, available online at harriscountytx.gov/hrrm or yourdentalplan.com/harriscounty. You may also request a copy by calling customer service at the number located on your member ID card.

An Evidence of Coverage document may also be requested or viewed online and provides additional information about how to get the most from your UnitedHealthcare Dental HMO plan. Please take time to review this information before making dental benefit decisions.

**DHMO members**: Check out the dental health and wellness link at yourdentalplan.com/harriscounty.
DENTAL WELLNESS AND ESTIMATING THE COST OF TREATMENT

WELLNESS SCREENING Included with your Dental HMO and PPO

The UnitedHealthcare Dental Wellness plan, through its eight Centers of Excellence, created a program that makes wellness a priority by performing a variety of unique services. By simply visiting the dentist, individuals might find that they may save more than their teeth and gums. It may just lead to early diagnosis, referral for, and treatment of a variety of diseases.

The Centers of Excellence offer free, possibly life-saving wellness screening services. Members set an appointment and complete a questionnaire. The dentist makes an assessment and provides appropriate screenings for any or all of four conditions.

Screenings may help determine if a member is “at-risk” for oral cancer, diabetes, or cardiovascular disease, and may lead to a referral for these conditions.

As part of the wellness visit, the attending dentists provide counseling and materials about the impact of tobacco use, obesity, and oral piercings, as well as information about oral disease and other medical conditions.

Contact the UnitedHealthcare Dental Onsite Representative at 713.274.5500 (Option 2) to locate a Center of Excellence near you.

TREATMENT COST CALCULATOR

What is the difference between Routine Cleaning and Deep Cleaning?

“Routine Cleaning” (prophylaxis) is the removal of normal tartar build-up and polishing teeth to remove stains. If you see your dentist regularly and have your teeth cleaned twice a year, a routine cleaning will likely be your dentist’s prescription.

“Deep Cleaning” is a term used to describe scaling and root planing, a procedure that removes plaque and tartar build-up on teeth below the gums. Usually when you need a deep cleaning it is a sign that your oral health has changed, typically due to gingival (gum) inflammation. There could be several reasons for the change: periodontal disease, stress, pregnancy, tobacco use, or a change of medication – even a simple change in brushing or flossing habits.

YOUR DENTAL TREATMENT COST

UnitedHealthcare Dental is committed to helping you make the most of your dental plan benefits by getting actual prices for treatments based on your individual plan, comparing the rates charged by different providers, and seeing your out-of-pocket cost so you can plan ahead. We have created an easy-to-use tool: the Treatment Cost Calculator.

With the Treatment Cost Calculator you can always make an informed choice about your dental treatments. It's easy to use and available to members 24 hours a day at yourdentalplan.com/harriscounty.

1. Log in with your username and password. If you haven't previously registered at yourdentalplan.com/harriscounty, you can register now.
2. To get started, visit yourdentalplan.com/harriscounty and select Plan Info > Treatment Cost Calculator.
3. Next, you'll enter information about the practitioner performing the procedure. You'll need the following information:
   - The approximate date of the procedure
   - The Practitioner ID (To find the ID of a network practitioner, click the link to search for dentists who perform the procedure)
4. On the next screen, you’ll enter information about your procedure. Select the procedure from the list of common treatments shown. You can also enter the procedure code if you know it, or display a list of procedure codes.
5. Your treatment cost results will be displayed, including the cost of the service based on your specific plan, the amount you’re responsible for (coinsurance), any limitations or waiting periods in your plan, and your annual deductible which is the amount you must pay each year before your plan starts paying benefits.
6. From the treatment cost results page, you can display your dental benefits summary which lists your plan features including in and out-of-network coverage rates, your annual deductible, and your annual maximum.
IMPORTANT DENTAL INFORMATION

UnitedHealthcare Dental DHMO Specialty Care Referrals and Emergency Dental Services Instructions:

Customer Service: 866.528.6072, Hours: 7 a.m. - 10 p.m. CST

**Specialty Care Referrals:** Certain dental procedures may require the expertise of a specialist and require a specialty care referral. Your assigned primary care dentist is responsible for completing the specialty referral form. With your form in hand, contact Customer Care for an authorization number and a specialist authorized to provide your care. Referrals are not needed for children up to age eight to see a pediatric dentist. Children ages eight and older need to get a referral from a primary care dentist. Children under age eight who need services of a specialist other than a pediatric dentist must still get a specialty referral.

**Emergency Dental Services:** If you are within seventy-five miles of your Selected General Dentist, simply contact your selected dentist who will make reasonable arrangements for such emergency dental care. If you are more than seventy-five miles from your Selected General Dentist, or you cannot reach your Selected General Dentist or Customer Service, you may obtain Emergency Dental Services for stabilization from any licensed dentist. Potential examples of emergencies are excessive bleeding, severe pain, or acute infection. Reference the Dental Plan Documents for specifics at [harriscountytx.gov/hrrm](http://harriscountytx.gov/hrrm).

In a non-emergency situation, you will receive an explanation of benefits via the mail that will list the specialist contact information and your authorization number. For emergency situations, you will receive a call back from your approved participating specialist.

It’s been said that people typically visit their dentist more often than they visit other doctors. It’s important to know that as health care becomes more integrated and dentists increasingly focus on more than just teeth, they are becoming indispensable members of the larger health care team.

The bacteria that inhabit the mouth, causing tooth decay and gum disease, may be found elsewhere in the body. Though there may be no pain or noticeable symptoms, this bacteria can lead to far more serious conditions. We are continuing to learn that gum disease may heighten the risk for heart disease, diabetes, pregnancy complications, and other conditions.

FILLING OPTIONS TO CONSIDER

Amalgam is the silver filling that dentists have been using for many years to fill cavities; resin-based composite fillings are white (tooth colored). You may have heard about the safety concern of using amalgams because mercury is part of the filling material. However, the American Dental Association, the National Institutes of Health, and the U.S. Public Health Service, among others, have stated that, when combined with other metals, as it is in amalgam, it is an acceptable standard of treatment.

Because some dentists have a concern about using amalgam material, they choose to provide only composite fillings for their patients. We suggest you discuss with your dentist his or her practice policies.

CROWN OPTIONS TO CONSIDER

A crown is a metal cap that covers and strengthens a tooth. Crowns are generally necessary along with a root canal or when a standard filling is not enough support for the tooth structure. Crowns are made of different materials - metal only or a porcelain (“tooth-colored”). A crown is not just the cap that sits over the tooth…there can be other procedures and materials required, such as a gold post, a core build up, or a pin. Each one adds to the total cost.

Crown costs vary depending on the materials used and your dentist can provide an itemized treatment plan. For the DHMO plan, each covered crown is listed on your Schedule of Benefits. Check the copayment and any additional fees that are indicated [i.e. porcelain on back teeth and additional lab fees for noble (low gold) and high noble (high gold) metals].

Other procedures may be required during your treatment, such as a root canal - this adds to the cost of restoration. Under the PPO plan your benefit allowance is 50%, whether your dentist is in or out-of-network. The out-of-network dentist may balance bill for services above the maximum allowable charge fee schedule. You have greater savings when you choose a network dentist.
Vision coverage is provided automatically for you and each dependent you enroll in the medical plan.

With the vision plan, when you use participating providers you will pay lower out-of-pocket expenses and receive a higher level of benefits. You may also use out-of-network benefits; however, your benefit level is reduced - you will pay for the services and you must file a claim with Superior Vision for reimbursement.

**HOW THE VISION CARE PROGRAM WORKS**

Each time you need vision care, you may seek care through the Superior Vision benefit plan. Select a Superior Vision participating provider by calling customer service at 800.507.3800, or visit superiorvision.com. When you make your appointment, identify yourself as a Harris County Superior Vision Plan member. You are eligible for a vision examination provided by a network optometrist or ophthalmologist once every twelve months.

At an in-network provider, members will receive a $130 retail allowance toward the cost of the frame. The Superior Vision benefit plan provides $130 toward your contact lens evaluation and fitting fee as well and the cost of contact lenses. A $300 Lasik benefits reimbursement is also available either in or out-of-network in lieu of other benefits.

**COVERED SERVICES**

Highlights of your vision care benefits are shown in the chart. Copayments are not applicable when utilizing out-of-network providers.

For the complete schedule of benefits, reference the Vision Plan Benefit Certificate of Coverage at harriscountytx.gov/hrrm.

Benefits are available once every 12 months from last date of service.

* Standard basic lens coverage included in your $25 copay for glasses, lenses, or frames and lenses. Lens cost that exceeds the basic coverage is the member’s responsibility. Members may receive a discount of up to 20% from a participating provider’s usual and customary fees for eyewear purchases which exceed the benefit coverage.

** Necessary contact lenses are determined at the provider’s discretion for one or more of the following conditions: Following cataract surgery without intraocular lens implant; to correct extreme vision problems that cannot be corrected with spectacle lenses; with certain conditions of anisometropia; with certain conditions of keratoconus. If your provider considers your contacts necessary, you should ask your provider to contact Superior Vision concerning the reimbursement that Superior Vision will make before you purchase such contacts.

***Lasik Vision Correction: Superior Vision provides each member a $300 allowance available both in and out-of-network. Superior Vision has partnered with the LCA. In-network providers may offer additional savings and financing. Call 877.557.7609 for assistance in coordinating your care.
Employees have the option of purchasing additional Life Insurance equal to one, two, or three times their annual salary up to a maximum of $450,000. If your salary or wage changes, your insurance amount will change on the next plan year. REMINDER: Any Pre-Tax Life Insurance provided under the County plans in excess of $50,000 is subject to annual taxation.

Dependent Life Insurance coverage is only available for the dependents covered under your Medical Plan. All Dependent Life Insurance terminates when the employee retires.

If you die while insured for Life Insurance, or if you have an accident while insured for AD&D Insurance, and the accident results in loss, Dearborn National will pay benefits according to the terms of the Group Policy after receiving proof of loss.

For AD&D Insurance, loss means loss of life, hand, foot, or sight, which is caused solely and directly by an accident, occurs independently of all other causes, and occurs within 365 days after the accident.

Rates may change as the insured enters a higher age category. Also, rates may change if plan experience requires a change for all insured.

*These amounts will be calculated on your enrollment form according to your age and/or salary at the time of enrollment.
Why buy long-term disability coverage?

Most of us live from paycheck to paycheck and cannot afford to be without some income. This coverage can help provide income to pay for your financial obligations such as mortgage or rent, car loans, car insurance, food, utilities, medical and dental insurance, credit card payments, and taxes. This benefit will help pay all the normal monthly expenses and bills that continue even when you cannot work and are not receiving a paycheck from Harris County.

Long-Term Disability Insurance from CIGNA - affordable income protection if you are unable to work due to a covered injury or illness.

Disability insurance can help you pay your bills and maintain your standard of living if you were to become disabled due to a covered injury or illness. When you can’t work, even for a short time, your financial situation can become difficult very quickly. Disability insurance helps protect the most important asset you have, which is your ability to earn a paycheck.

How much disability insurance do you need? To get an idea of how much your family would need to continue its current lifestyle, it might be a good idea to check out our helpful Disability Income Needs Calculator at cigna.com/our_plans/disability/calculator/income_needs_calc.html to help you estimate your insurance needs based on your own unique situation.

Fast, hassle-free claim service:

Prompt attention to claims actually improves results when it comes to getting people back to work. Experienced disability claim managers will work quickly and accurately to get your claim information. Through this relationship, CIGNA will work together with you and Harris County to devise the best strategy for your speedy, safe return to work.

It’s easy to file a claim. Simply call CIGNA’s toll-free number at 800.36.CIGNA, or 800.362.4462 and a representative will walk you through the process. You can also fill out the online claim form on cigna.com.

Please have this information ready before you report a claim:

► Your name, address, phone number, birth date, date of hire, Social Security Number and employer’s name, address, and phone number.
► The date and cause of your disability and when you plan to return to work. If you are pregnant, provide your expected delivery date.
► The name, address, and phone number of each doctor you are seeing for this absence.

Important reminders:

◊ Always seek appropriate medical attention immediately. Your health and safety come first.
◊ Contact your supervisor to let them know you will be absent.
◊ Call CIGNA as soon as possible.

Optional Long-Term Disability: If you elect to enroll in this plan, premiums are automatically deducted from your paycheck on an after-tax basis. Employees electing to enroll in this plan are required to complete an Evidence of Insurability (EOI) form and be approved by Cigna before optional LTD will be effective.
Long-Term Disability (LTD) is part of your Harris County Benefits Plan. The insurance has two parts: Basic LTD and Optional LTD (Buy-Up Plan). You are eligible for the Basic LTD insurance on the first day of the month after 2 months of continuous employment with Harris County. For Optional LTD (Buy-Up Plan), you are eligible for coverage the first day of the month following 12 months of continuous employment with Harris County.

**DISABILITY FACTS TO PONDER**
- 3 out of every 10 workers will experience an accident or illness that keeps them out of work for three months or longer.
- 43% of all 40-year olds will suffer a disability for at least 90 days prior to age 65.
- More than half of all personal bankruptcies and mortgage foreclosures are due to disability.
- In just the past hour, almost 3,000 Americans became disabled and that calculates to 49 people becoming disabled every minute.
- Every :01 second another disabling injury occurs in the US.
- More than 1 in 5 adults believe that unemployment or Social Security will cover them if they become disabled, but the average monthly SSDI benefit is only $1,004.
- Over 85% of disabling accidents and illnesses are not work related, and therefore not covered by workers’ compensation.
- Over 6.8 million workers are receiving SSDI benefits and almost half are under age 50. This represents only 13% of the over 51 million Americans classified as disabled.
**MEDICARE PARTS A & B**

Medicare becomes the primary insurer when a retiree, or a dependent of a retiree, turns 65 or becomes eligible due to disability. Harris County medical benefits then become secondary to Medicare.

The Harris County Medical Plan coordinates its benefits with Medicare Parts A & B. Since Medicare is the primary insurance, it must pay benefits first before the Harris County Medical Plan will pay benefits. The Harris County Medical Plan will pay benefits as if Medicare Part B paid first even if you are not enrolled in Medicare Part B. This will cause a gap in your coverage if you do not enroll in Medicare Part B as a retiree.

**NOTE:** If you are actively at work upon attaining the age of 65, you do not need to purchase Medicare Part B. If your spouse’s primary insurance is the Harris County plan, they do not have to purchase Medicare Part B until you retire.

Active employees and their covered dependents who are eligible for Medicare may postpone enrolling in Medicare until the employee retires. Each employee and/or their dependent should make this decision based on their individual situation. Medicare will pay secondary to the Harris County Medical Plan for covered services if you do choose to enroll while actively employed.

You should contact the Social Security Administration at 800.772.1213 if you have any questions concerning coordination of benefits between the Harris County Medical Plan and Medicare.

**MEDICARE PART D**

Harris County Medicare eligible employees and retirees should NOT enroll in Part D — Medicare Prescription Drug Plan. Enrollment in a Medicare Prescription Drug Plan is voluntary, but in most cases is unnecessary because the Harris County Medical Plan administered through Cigna provides more comprehensive prescription drug coverage. In addition, there is no coordination of benefits between Harris County’s medical plan and the Medicare Prescription Drug Plan; however, there will continue to be coordination with Medicare Parts A and B.

If you meet certain income and resource limits, Medicare’s Extra Help Program may assist you by paying some of the costs of its prescription drug coverage. You may qualify if you have up to $17,820 in yearly income ($24,030 for a married couple living together) and up to $13,640 in resources ($27,250 for a married couple living together).

If you don’t qualify for Extra Help, your state may have programs that can help pay your prescription drug costs. Contact your State Health Insurance Assistance Program (SHIP) for more information at 800-252-3439. Remember, you can reapply for Extra Help at any time if your income and resources change.

For more information about getting help with your prescription drug costs, call Social Security at 800.772.1213 or visit socialsecurity.gov. If you or any of your covered dependents are eligible for additional coverage through Medicaid, you should contact 800-MEDICARE (800.633.4227) or visit medicare.gov to determine the best prescription drug option for you.

**COBRA NOTIFICATION OBLIGATIONS**

The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provides group health insurance continuation rights to employees, spouses, and dependent children if they lose group health insurance due to certain qualifying events. Two qualifying events under COBRA require you, your spouse, or dependent children to follow certain notification rules. **You are required to notify Harris County of a divorce or if a dependent child ceases to be a dependent child under the terms of the group health insurance plan.**

Each covered employee, spouse, or dependent child is responsible for notifying Harris County within 60 days after the date of the divorce or the date the dependent child ceased to be a dependent, as defined under the terms of the Group Health Insurance Plan. Failure to properly notify Harris County within the required 60 days will forfeit all COBRA rights that may have arisen from these two qualifying events!
Harris County continues to pay a significant portion of the cost for your health care coverage. For example, if you select coverage for yourself only, you pay no monthly premium for the Base/HAMP Medical Plan and $75.00 for the Plus/HAMP Medical Plan.
