

# Retiree Resource Guide 2017 / 2018

# INTRODUCTION

The benefits described herein are effective March 1, 2017 through February 28, 2018. If there is any variation between the information provided in this Guide, the Plan Document, or the Group Contracts, the Plan Document and Group Contracts will prevail. This guide briefly describes the benefits offered to you and your family. It is not intended to modify the group policies and/or contracts between the carriers and the County.

You may obtain a detailed description of coverage provisions including the Summary of Benefits Coverage (SBC) and the Glossary of Terms - both of which are available in English & Spanish - and/or the Summary Plan Document (SPD) from Human Resources & Risk Management (HRRM) Employee Benefits. They are also available on the HRRM website at [harriscountytexas.gov/hrrm](http://harriscountytexas.gov/hrrm). See page 1 for additional information.

# IMPORTANT INFORMATION REGARDING PLAN CHANGES, RELATED DOCUMENTS, & PRIVACY

## 2017 - 2018 PLAN CHANGES

Harris County has chosen Cigna's Open Access Plus plan that combines the enhanced benefits of providers who participate in an extensive provider network, as well as the limited availability of benefit coverage for non-participating providers. Cigna will administer Harris County's medical plans, prescription drug plan, Employee Assistance Plan (EAP) and managed behavioral health for the 2017-2018 plan year.

Harris County members will now be covered under Cigna's Value Prescription Drug List. Please refer to this list at [harriscountytexas.gov/hrrm/cignavalueprescriptiondruglist](http://harriscountytexas.gov/hrrm/cignavalueprescriptiondruglist) to see if your drugs are covered.

In compliance with the Affordable Care Act, the Maximum Out-of-Pocket for in-network services for Individual/Family is now: **Base Plan \$7,150/\$14,300** and **Plus Plan \$6,150/\$12,300**. The deductible, coinsurance, medical and prescription drug copays will be applied to the maximum out-of-pocket.

## IMPORTANT MESSAGE REGARDING YOUR 2016 FEDERAL INCOME TAX RETURN

The Affordable Care Act requires Harris County to send an annual statement to all retirees eligible for health insurance coverage describing the insurance available to them. The Internal Revenue Service (IRS) created Form 1095-C to serve as that statement. This form will be mailed directly to your home address in January 2017.

### What you need to do:

1. Provide Required Information: We need specific information on people enrolled in the health plan in order to provide you a complete 1095-C. If we do not have accurate Social Security Numbers on every dependent, the IRS may impose a penalty for non-compliance.
2. Ensure that your mailing address is correct in the County's payroll system. It's important because you will need information on the form to prepare your 2016 taxes.

## PLAN DOCUMENTS

**The Summary of Benefits Coverage (SBC)**, provided separately from the Resource Guide, summarizes the key features of our medical plans including: covered benefits, cost-sharing, coverage limitations, and exceptions.

**The Glossary of Health Coverage and Medical Terms** will help you understand some of the most common language used in health insurance documents.

Both the Summary of Benefits Coverage and the Glossary of Health Coverage and Medical Terms are available in English and Spanish versions on the Harris County website at [harriscountytexas.gov/hrrm](http://harriscountytexas.gov/hrrm).

You may obtain a printed copy of the SBC or the Glossary of Health Coverage and Medical Terms at no charge by contacting the Benefits Division at **713.274.5500**, or toll free at **866.474.7475** and it will be sent to you within seven days.

## NOTICE OF PRIVACY PRACTICES

This Notice describes how medical information about you may be used and disclosed and how you can request access to this information. Review it carefully.

This Notice is for participants and beneficiaries in the Plan. As a participant or beneficiary of the Plan, you are entitled to receive this Notice of the Plan's privacy practices with respect to your health information that the Plan creates or receives (your "Protected Health Information" or "PHI"). Our "Notice of Privacy Practices" was updated to comply with new changes to the Health Insurance Portability and Accountability Act ("HIPAA") effective as of March 26, 2013.

This Notice is intended to inform you about how we will use or disclose your PHI, your privacy rights with respect to PHI, our duties with respect to your PHI, your right to file a complaint with us or with the Secretary of the United States Health and Human Services ("HHS"), and how to contact our office for further information about our privacy practices. This Notice and the most updated "Notice of Privacy Practices" will be posted at [harriscountytexas.gov/hrrm](http://harriscountytexas.gov/hrrm), or you may request a copy by calling **713.274.5500**.

## ANNUAL ENROLLMENT FACTS FOR MEDICAL, DENTAL, & VISION

Annual enrollment for the 2017/2018 plan year will be conducted from December 1 through December 31, 2016. Changes become effective March 1, 2017. You should carefully consider the insurance plans available to you and your dependents.

**Retirees cannot add dependents at annual enrollment. See Qualified Status Change information on page 3.**

We are committed to providing you with a comprehensive benefits program. Our program allows you to customize your benefits package to best suit your needs and the needs of your family. Annual enrollment is your opportunity to make allowable changes to your benefits. This Resource Guide is designed to help you through the enrollment process.

Medical and dental plans each offer two options. Reference pages 18-20 and 24-27 for plan details. Everyone in your family must be in the same plan.

**If you are not making any changes, do not return your form.**

**Are you a retired Public Safety Officer? If so, you can have your insurance premiums deducted from your TCDRS pension check. Call 713.274.5500 / Option 6.**

Choices made during open enrollment will remain in place until the following plan year.

Retirees who do not return their completed annual enrollment paperwork indicating desired changes will remain in the benefit selections made for the 2016-2017 plan year.

Failure to drop dependents when required under this health plan may be considered insurance fraud and may result in a referral to the District Attorney's office for investigation. Any retiree committing insurance fraud will be liable to reimburse the County for any claims activity.

**Retirees may drop dependents at any time with no qualified status change.**

**Tired of receiving a bill each month, writing a check and mailing your insurance premium to the County? Don't risk losing your coverage due to a late payment when you can enroll in direct debit today and your premiums will always be paid on time.**

## QUALIFIED STATUS CHANGE / DEPENDENT ELIGIBILITY

Submitting required documentation is key to adding or dropping dependents to or from your coverage.

**Retirees may experience life changes during the calendar year that would allow them to add a dependent. Retirees must submit a Health & Related Benefits Change form to make changes.**

Qualified Status Changes include:

- Birth of your child
- Adoption or placement of a foster child
- Marriage, divorce, or death
- Dependent loses other health insurance coverage
- Significant change in the financial terms of health benefits provided through dependent's employer or another carrier
- Loss of eligibility for Medicare or Medicaid
- Loss of State Children's Health Insurance Program (SCHIP).

Requests to add dependents must be made within the same calendar year in which the qualified status change occurred. You will be responsible for absorbing the entire cost for your existing and newly added dependents.

**Spouse:** A filed copy of a Formal Marriage License or Certificate of Informal Marriage. Any documents written in a foreign language must be accompanied by a certified English translation.

**Children:** A birth certificate listing the employee as the parent. A certificate of birth facts may be submitted up to age of five; however, a birth certificate is required for age five and up. Coverage is available up to age 26.

**Legal Custody or Guardianship:** Court documents, signed by a judge, granting permanent legal custody or permanent legal guardianship to employee. Coverage is available up to age 18.

**Stepchildren:** A birth certificate or other court document listing the employee's spouse as parent of the child, and the marriage license of the employee and parent of the child. Coverage is available up to age 26.

**Grandchildren:** A Certification of Financial Dependency form (obtain from department Benefits Coordinator), a birth certificate of the grandchild, and a birth certificate of the grandchild's mother or father. The grandchild must be related to the employee by birth or adoption and cannot be your spouse's grandchild. The grandchild must be claimed as a dependent on the employee's Federal Tax return every year to remain on the plan. A Grandchild Audit occurs in June of each year. Coverage is available up to age 26.

**Adopted Children:** Certified copy of court order or paperwork placing child in your home.

**Foster Children:** Foster care placement agreement between the employee and the Texas Department of Family & Protective Services or its subcontractor. Coverage is available up to age 18.

## MEDICAL SUPPORT NOTICES

Upon receipt of a Medical Support Notice from the Texas Attorney General or presiding court, or upon receipt of any similar such legal mandate by a court or agency having jurisdiction over the County, the County must comply with any such directive, subject to the terms of our plans. Such directives may not be overturned except through revised documentation received from the applicable agency overturning any prior directives. No refunds will be issued.

# CHOOSING YOUR PLAN / OUT-OF-NETWORK COVERAGE / LAB SERVICES

## CHOOSING THE BEST PLAN FOR YOU AND YOUR DEPENDENTS

Choosing the best plan should be based on several things such as your personal medical condition and usage of services, financial situation, and your level of comfort with coinsurance vs. copayments. The following may assist you in the decision-making process.

**Copayment:** predetermined dollar amount you will pay for a service (ex: physician visits, convenience care clinics, urgent care centers, physical therapy, counseling).

**Coinsurance:** percentage employee is responsible for paying up to a specific dollar amount per calendar year. Covered services are paid from 50%-100% depending on the plan selected, service rendered, and place of service.

**Deductible:** initial out-of-pocket costs that must be paid before the plan begins to pay benefits.

The **Base** plan has set copayments for some in-network services, but requires coinsurance for ambulance, durable medical equipment, hearing aids, complex imaging, home health care, hospice, inpatient hospitalization, outpatient surgery, physician hospital services, private-duty nursing, and skilled nursing facility. This plan has a \$600 per individual in-network deductible with an individual maximum out-of-pocket limit of \$7,150 per calendar year.

The deductible and coinsurance only apply where services are not indicated as set copayments. Copayments do not apply to the annual deductible.

The **Plus** plan has a \$0 in-network deductible, set copayments for most in-network services, and an individual maximum out-of-pocket limit of \$6,150 per calendar year. However, this plan has a higher monthly premium contribution.

**Your Cigna Open Access Plus Plan does not require you to select a network primary care physician (PCP), although selecting a PCP is encouraged. These plans also allow you to self-refer to a specialist. Your choice of provider dictates the amount you will pay in copayments, coinsurance and/or deductibles.**

## OUT-OF-NETWORK COVERAGE

Harris County has limits on authorized costs associated with Out-of-Network facilities/providers. In an effort to maximize the highest level of benefit coverage, advise your participating physician to refer you only to in-network facilities and providers with Cigna. This will result in savings for both you and the county.

To help curb excessive out-of-network facility/provider costs, the county has established a Limited Out-of-Network reimbursement that limits the Plan's exposure to unreasonable costs for non-emergency services and procedures. If you use an out-of-network facility or provider, you will be responsible for paying the difference between the covered amount and the amount the facility charges. Non-covered expenses will not apply to your out-of-pocket maximum.

It is YOUR responsibility to make sure your physician, facility, or hospital is in-network or you will pay out-of-network costs. You can help keep costs down by using in-network providers.

NOTE: If you are currently on dialysis, coverage is provided in-network ONLY.

**Step 1:** Go to [www.cigna.com](http://www.cigna.com), click on "Find a Doctor" at the top of the screen. Then select the orange box that reads "For plans offered through work or school." (If you already have a Cigna plan, log in to [mycigna.com](http://mycigna.com))

**Step 2:** Choose whether you're looking for a doctor or a place to receive medical care.

**Step 3:** Enter the geographic location you want to search.

**Step 4:** Select one of the plans offered by your employer during open enrollment. Under "OAP" select the first radial button for "Open Access Plus, OA plus, Choice Fund OA Plus".

**Step 5:** Enter a name, specialty or other search word. Click SEARCH to see your results.

That's it! You can also refine your search results by distance, years in practice, specialty, languages spoken and more.

## LAB SERVICES

You must obtain your lab services through a Cigna contracted lab. Cigna is contracted with two of the largest national labs, LabCorp and Quest Diagnostics, as well as several regional and local labs. It is the member's responsibility to ensure the lab you use is contracted with Cigna, otherwise the claim will be considered out-of-network.

## WHAT IS CASE MANAGEMENT AND DO I REALLY NEED IT?

Sometimes a phone call makes all the difference in the world, and personalized help makes it easier for you to be healthy and well. That's why your Cigna program offers phone support from a caring registered nurse. Help is available when you need that support the most, or when you just need a little advice.

For special situations, we know the health care system can be complicated. Just think of all the times you spoke with someone knowledgeable on health care issues, and how it put your mind at ease. Times when you are:

- Planning for or coming home from a hospital stay
- Managing a medical condition, like asthma or diabetes
- Coordinating complex medical treatment among different doctors, hospitals, labs and other health care providers

**The results are an improved relationship with your entire health care team!**

## QUIT TODAY: A LIFESTYLE MANAGEMENT SMOKING CESSATION PROGRAM

Break the habit of using tobacco for good! The Quit Today Smoking Cessation program is at no cost to you or your covered dependents over the age of 18.

The program includes:

- Telephonic coaching sessions with an experienced health coach
- Welcome Kit mailed to your home that includes a workbook and relaxation/meditation CD
- Extra support to address personal concerns, like maintaining your weight and managing stress
- Coupon redeemable for a free 8-week supply of nicotine replacement gum or patches

Get started today! Call **855.246.1873** or log in to [cigna.com](http://cigna.com).

## CONVERSATIONS ARE PRIVATE

It's in your best interest to talk openly with your program nurse. Rest assured that everything you discuss is confidential. Cigna never shares your information with anyone, including your employer.

Be sure to answer the phone when Cigna calls. It's a phone call that can make a big difference.

**Are You Diabetic?** If so, it's important for you to have the best possible care and monitoring available to control your condition.

DiabetesAmerica is your "one-stop-shop" for diabetes care. It provides comprehensive diabetes care, management, and education services at a single location with no office visit copay.

DiabetesAmerica services include:

- Physician care
- Certified diabetes education
- Certified diabetes nutritional counseling
- Exercise and lifestyle counseling and support
- Case management and monitoring
- Telephonic support/website access
- Eye, foot, and cardiovascular screenings
- Onsite labs
- Annual retinal exam
- Free glucose monitor

For locations, information, and appointments, call **866.693.4223** or visit [diabetesamerica.com](http://diabetesamerica.com).

## HEALTHY PREGNANCY, HEALTHY BABY

### You're pregnant. Where do you start?

You're going to be choosing a name, looking for a doctor for your baby, and seeing big changes – to your body and your life. Sign up for this program designed to help you and your baby stay healthy during your pregnancy and in the days and weeks after your baby's birth.

### Find support early and often

- › Tell us about you and your pregnancy so we can meet your needs.
- › Ask us anything – we have nurses available to support you during your whole pregnancy.
- › Get a pregnancy journal with tips, charts and tools to help you have a happy nine months.

### Learn as much as you want

As a Cigna customer, you also have access to our Health Information Line where you can get live support 24 hours a day, 7 days a week. Just call the number on your Cigna ID card to:

- › Talk to a nurse who can help you with everything from tips on how to handle your discomfort during pregnancy, to what foods to skip, birthing classes and maternity benefits.
- › Listen to an audio library on maternity and a broad set of health topics.
- › Visit [mycigna.com](http://mycigna.com) for tools to help you track your pregnancy week by week, prepare for giving birth and care for your baby.

If you or a covered member of your family is pregnant, contact Cigna to pre-certify the pregnancy at 800.Cigna.24 (800.244.6224).

## A COMPREHENSIVE LIST OF PARTICIPATING PROVIDERS

Available at [cigna.com](http://cigna.com). Contracted providers may have more than one office and it's possible that one or more offices are not considered "in-network." To avoid additional costs, please make sure that the provider you are seeing is "in-network" at the location of your visit.

If a provider orders a test or procedure for you, be sure to ask if it is experimental or investigational. If so, contact Cigna customer service before proceeding as it may not be covered. **Some procedures must be pre-certified.**

## CIGNA CARE DESIGNATION

Cigna Care is a designation for specialists in Cigna's Open Access Plus network that have met certain standards for clinical performance and efficiency. These standards include managing Cigna patient volume, adhering to clinical guidelines, external recognition, board certification information specific to the physician's Cigna Care specialty, and demonstrating overall effectiveness in the delivery of care.

Cigna Care specialists are available in the following care categories:

Family Practice ( <b>Primary Care</b> )	General Surgery
Pediatrics ( <b>Primary Care</b> )	Hematology and Oncology
Internal Medicine ( <b>Primary Care</b> )	Nephrology
Allergy and Immunology	Neurology
Cardiology	Neurosurgery
Cardio-Thoracic Surgery	Obstetrics and Gynecology
Dermatology	Ophthalmology
Ear, Nose and Throat	Orthopedics and Surgery
Endocrinology	Pulmonary
Gastroenterology	Rheumatology
	Urology

For example, if you obtain specialty services from a Cardiologist or Neurologist, or any other Cigna Care specialty, you will have a **\$40 copay on the Base Plan and a \$30 copay on the Plus Plan**. However, if you seek specialty services through a Cigna Care specialty category such as cardiology and do not see a Cigna Care designated cardiologist, your copay on the **Base Plan is \$50** and on the **Plus Plan is \$40**.

Using Cigna Care designated providers will save you \$10 per visit on copays. To find a Cigna Care specialist, log in to [cigna.com](http://cigna.com) and select "Find a Doctor." Cigna Care specialists are indicated with a blue "C".

**HAMP is not available to retirees. If you are in the HAMP Base or HAMP Plus and retire, your plan will change to the Base or Plus Plan, respectively.**

## WELLNESS AND TECHNOLOGY

### PERSONAL HEALTH RECORD / Powered by WebMD

You can make history by putting the Personal Health Record to work for you. This secure, private, online resource makes it easy for you to view, access, and manage your health information—and share it with your doctors.

- Keep your health information in one place—it's always available for you to access in an emergency.
- Share your history with your doctor by printing your record and taking it with you to your next visit.
- Maintain or even improve your health. Based on your health profile provided by insurance claims and information you enter yourself, the Personal Health Record generates personalized health-related alerts and reminders that can help you address your health needs in a timely manner.
- With your username and password, you control who sees your information. You may add information to the record at any time.
- It's easy to get started! Just create a username and password on the secure member website at [mycigna.com](http://mycigna.com).

### CIGNA: WE HAVE AN APP FOR THAT

The Cigna Mobile app is available for Android™ smartphones, iPhone®, iPod touch®, iPad™, BlackBerry and Kindle Fire. The Cigna application or “app” enhances the capabilities of web portal [mycigna.com](http://mycigna.com) by leveraging key smartphone functions. All apps are free from their respective app stores:

- Search for a doctor or facility based on their current location and get turn-by-turn directions with the built-in GPS
- View your Cigna ID card information
- Check the status of recent claims
- Get a treatment cost estimate before scheduling a medical procedure
- Get a drug cost estimate before a prescription is filled
- View your coverage and benefits

#### Download the app:

- Android™ users go to the Marketplace and search for “Cigna” to download the app.
- iPhone®, iPod touch®, and iPad™ users can simply tap the App Store logo, then type “Cigna Mobile” in the search box.

**NOTE: Preventive health, screening and vaccines are a covered benefit on our plans based on frequency and age-specific guidelines indicated.**

# CIGNA EMPLOYEE ASSISTANCE PROGRAM

Confidential assistance is available 24 hours a day, 7 days a week when using **Cigna's Employee Assistance Plan (EAP)**.

This is a service provided as part of your benefits to you or any member of your household at no additional cost. You can turn to Cigna's Employee Assistance Plan (EAP) for help with anything that interferes with your job or personal life such as:

Anger management	Marital/relationship problems
Anxiety	Child and elder care
Burnout	Family or parenting issues
Depression	Work/life balance
Stress management	Financial issues
Coping with change	Legal concerns
Substance abuse/misuse	Self-esteem

Cigna's EAP understands that some days it can be tough to manage the competing priorities in our lives and keep them running smoothly. Sometimes life can become work and work can become your life. Either way, they are there to help you balance the two. Maybe you just need someone to talk to about a recent transition or conflict at work, or maybe you're looking for some guidance with your personal relationships.

## Benefits of Cigna's EAP

- 8 FREE face-to-face counseling sessions per issue, per year
- Free initial legal consultation and discounts on continuing legal consultation services
- Free initial financial consultation
- Online discounts and access to a full range of web-based tools and resources
- Most importantly, all information is confidential between Cigna EAP and you

*What are you waiting for?*

Visit [cignabehavioral.com](http://cignabehavioral.com) and enter

Employer ID: hctx

or call **888.259.6279**

*Assistance is just a phone call or click away for free services!*

Most people think of an EAP as a place to call when they have a crisis or an urgent need for emotional or mental health support. Cigna's EAP removes the stigma that often comes with the term EAP and continues to provide that same level of support while adding assistance with the following:

- Work/life balance
- Improved lifestyle
- Better physical and mental health
- Total well-being

# CONVENIENCE CARE CLINICS & URGENT CARE CENTERS

**Don't use an Emergency Room when a visit to a physician's office, convenience care clinic, or urgent care center is adequate! Use the lowest level of care appropriate for your immediate need.**

## Convenience Care Clinics

When you need routine medical care, but can't wait for a doctor's appointment, convenience care clinics offer quality, affordable medical care for things such as sinus infections, rash, earache, minor burns, etc. Your in-network copay at the convenience care clinics is only \$30 Base Plan and \$25 Plus Plan.

## Urgent Care Centers

Urgent care facilities generally result in shorter wait times, lower expenses, and less out-of-pocket cost (vs. emergency rooms) for employees since the copayment is \$50 per visit versus the hospital emergency room copayment of \$300.

Urgent care facilities fill a critical need for patients when they are seeking immediate care that is not life-threatening and their general practitioner is unavailable. If a patient feels like their situation is life-threatening, they should seek help in the appropriate setting or call 9-1-1. Retirees should continue to coordinate their care with the advice of their primary care physicians.

Advantages: Lower copayment & shorter wait time.

**This summary is intended for reference purposes only, and medical conditions vary by individual. Always use your best judgment when seeking treatment for you and your family.**

## \$300 for Emergency Care

**Purpose:** Treatment for life-threatening emergencies, or emergency conditions that can permanently impair or endanger the life of an individual.

### Disadvantages:

- Higher copayment of \$300 per visit
- Higher cost to the health plan
- Extended wait time based on severity of the issue

## What are Standalone ERs?

Many standalone emergency care centers are located near high-end shopping for easy consumer accessibility and convenience; however, they charge double or triple the amount of a physician's office or urgent care center and are NOT designed to treat life-threatening illness.

Your copayment will be \$300 and you may have to pay additional fees for transport and admission to a hospital. We urge our retirees and their dependents to be responsible, educated health care consumers when determining the appropriate treatment facility.

## Hospital Admission & Emergency Room Information

If a member is admitted to an out-of-network hospital through the emergency room, clinicians from Cigna's Utilization Management area will confirm the admission was clinically necessary. If it is determined the admission is not a true emergency, it will be covered at the out-of-network benefit level. This means you will have to pay a larger portion of the bill at the out-of-network hospital.

Occasionally members brought to the emergency room are not admitted, but are placed under observation. Coverage for observation in a hospital emergency room is limited to 24 hours. At such time, the member must either be admitted or discharged, but cannot remain in holding in the emergency room or the balance may be billed by the provider.

# HARRIS COUNTY PRESCRIPTION DRUG BENEFITS

## CIGNA VALUE PRESCRIPTION DRUG PLAN

When it comes to prescription medications, you and your doctor usually have a choice between brand name and generic medications. Generic medications offer the same strength and active ingredients as brand name but often cost much less, in some cases up to 80-85% less.

Effective March 1, 2017 Harris County members will be covered under Cigna's Value Prescription Drug List which features generic and low-cost brand medications for all covered conditions. This list can be found at [cigna.com](http://www.cigna.com) or online at <http://www.harriscountytexas.gov/cmpdocuments/63/doc/cigna2017valuedruglist.pdf>.

You may be taking a medication that is no longer covered under our plan. If so, you should talk with your doctor to find out which covered generic or brand alternative will work for you. If your doctor feels the covered alternative medications aren't right for you, he or she can ask Cigna to consider approving coverage of your medication. If you continue to fill a prescription for a medication that's no longer covered, you'll have to pay the full cost of the medication.

## CIGNA PREVENTIVE GENERICS DRUG LIST

Your health and well-being is most important, and we want you to be at your 100% best. Getting the right preventive care services at the right time can help you stay healthy. Preventive medications are used for the prevention of conditions such as high blood pressure, high cholesterol, diabetes, asthma, osteoporosis, heart attack, stroke and prenatal nutrient deficiency.

Harris County and Cigna are offering certain generic medications for the conditions listed above at no cost share to you. The drugs covered under this program can be found at [cigna.com](http://www.cigna.com) or online at <http://www.harriscountytexas.gov/cmpdocuments/63/doc/2017preventivegenericsdruglist.pdf>.

## SPECIALTY RX AND/OR SELF INJECTIBLE DRUGS

Specialty medications and/or self injectible drugs are available only for a 30-day supply through a network retail pharmacy, Cigna's Specialty Pharmacy, or a Cigna designated and approved provider.

## CIGNA RX STEP PROGRAM

Precertification is required for angiotensin receptor blocker (ARB drugs), angiotensin converting enzyme inhibitor (ACE inhibitors), statin (cholesterol), and diabetic prescriptions.

With step-therapy, certain medications will be excluded from coverage unless one or more "prerequisite therapy" medications are tried first, or unless the prescriber obtains a medical exception.

The plan will not cover certain step-therapy drugs if your prescriber does not prescribe a prerequisite drug first or fails to obtain a medical exception unless the corresponding prerequisite therapy drug(s) are used first.

Prerequisite therapies and any medical exception prescriptions will be subject to dose and quantity recommendations outlined by the manufacturer.

## GET DRUG COSTS

Before you go to the pharmacy or mail your prescription to Cigna Home Delivery, check Cigna's Drug Price Quote Tool. It provides cost information for prescriptions at both retail and mail order so you can determine the least expensive method prior to having the prescription filled.

You can also use this online feature to obtain information about less expensive bioequivalent or therapeutic alternatives, or contact a pharmacist at **800.Cigna.24**.

	Percentage You Pay	Minimum Copay	Maximum Copay
<b>RETAIL</b>			
Generic	25%	\$5	\$50
Brand	30%	\$25	\$150
Specialty	30%	\$50	\$300
<b>MAIL ORDER</b>			
Generic	25%	\$10	\$100
Brand	30%	\$50	\$300

## OTHER HELPFUL PRESCRIPTION DRUG & MEDICAL INFORMATION

### 90-Day Prescription Refills

Filling your maintenance medications just got easier! You can now fill your maintenance medicine in a 90-day or 30-day supply at a retail pharmacy. Cigna offers a new retail pharmacy network that gives you more choice in where you can fill your 90-day prescriptions. Some major pharmacies include: CVS (including Target), Walmart and Kroger. Go to [Cigna.com/Rx90network](https://www.cigna.com/Rx90network) for more information. You can also use Cigna Home Delivery to fill your prescriptions.

### Maintenance Prescriptions

If you recently filled a maintenance prescription and your physician changed/increased your dosage, or if you are just reordering the maintenance medication and you are sending in a new prescription, you must have used 2/3 of your prescription prior to mailing in your new prescription.

### Multiple Prescriptions

If you submit new prescriptions all on one script, and not all are available at one time, the order could be delayed by 24-48 hours. If the remaining prescription(s) are not available within the 7-10 day processing period, the order will then be split into two separate orders in an effort to avoid further delay.

### Filing paper claims for your prescriptions?

Talk to your pharmacist about calling Cigna Pharmacy Management for assistance in submitting your claim electronically, especially if you have two insurance carriers.

### Faxing prescriptions

Physicians can fax prescriptions for mail order processing. The prescription must be submitted on the physician's office letterhead and must include the member's name and Cigna identification number. Prior to processing faxed prescription(s), the member must have completed and submitted a Cigna Home Delivery registration form. Members cannot fax prescriptions for filling via mail order.

### Taking a Trip?

If you know you will run out of your prescription medication, and it is too soon to refill prior to your departure, call Cigna Pharmacy Management for a "Vacation Override" at **800.Cigna.24**. You will need to provide your departure date and return date to the representative. Medication can be picked up as early as 3 days prior to your vacation departure date. In most instances you will receive a maximum three-month supply of medication.

## DURABLE MEDICAL AND SURGICAL EQUIPMENT (DME) IS A COVERED BENEFIT

### DME coverage is based on the following conditions:

No more than one item of equipment for the same or similar purpose, and the accessories needed to operate it, that is:

- made to withstand prolonged use;
- made for and mainly used in the treatment of a disease or injury;
- suited for use in the home;
- not normally of use to a person who does not have a disease or injury;
- not for exercise or training.

The accessories needed to operate your Durable Medical Equipment (DME) are covered under your DME benefit at 90% after deductible for Base Plan members and at 100% for Plus Plan members when using in-network providers.

## MY HEALTH ASSISTANT / Powered by WebMD

My Health Assistant is a resource that can be accessed online to find up-to-date health information and resources including:

To access, log in to [mycigna.com](http://mycigna.com) and begin learning everything you ever wanted to know about health and medical conditions.

## BREASTFEEDING SUPPLIES & LACTATION SUPPORT

To receive a complimentary breast pump, you must obtain a prescription from your OB/GYN and present it to a participating Durable Medical Equipment (DME) provider. For a list of providers, go to [cigna.com](http://cigna.com).

Includes the rental of one breast pump, per birth as ordered or prescribed by physician. Includes related supplies.

Six visits per year to a qualified lactation consultant for either individual or group classes. Any additional visits (7+) will be covered according to the plan's provisions.

## 24 HOUR HEALTH INFORMATION LINE / 24HR HIL

24hr HIL gives you easy access to credible health information. All health info line services are available 24 hours a day, 365 days a year, on demand from your touch-tone phone. You can reach the 24 hour Health Information Line by calling **800.Cigna.24 (800.244.6224)**.

If you prefer to view health information online, simply log in to [mycigna.com](http://mycigna.com), select "My Health Tab," then click on the link for the *Health Encyclopedia*.

Audio Health Library	Phone in and choose from thousands of common health topics.
Health Encyclopedia	Search for detailed information about health conditions, medical tests and procedures, medications, and treatment options.

## DENTAL PLANS / DHMO & PPO PLAN OPTIONS

**OPTIONS:** Harris County offers your dental benefits through UnitedHealthcare Specialty Benefits and continues to provide two dental options: A **Dental Health Maintenance Organization (DHMO)** and a **Dental Preferred Provider Organization (PPO)** plan.

Either plan is available to retirees. If you choose to enroll your dependents, you will be responsible for their portion of the monthly premium.

**QUESTIONS?** UnitedHealthcare Customer Service staff are available Monday-Friday, 7 a.m.-10 p.m. CST at **866.528.6072** (select "0" to speak to a representative).

You can check eligibility, claims, and determine out-of-pocket costs by using the Treatment Cost Calculator. You can also print or request your plan information online or through advanced telephone technology at **866.528.6072**.

**REGISTER ONLINE:** [yourdentalplan.com/harriscounty](http://yourdentalplan.com/harriscounty). You can register online (registration and login button located at the bottom center of the home page), or call the toll-free number on your member ID card and follow the prompts for IVR (Interactive Voice Recognition) assistance.

\*Benefits for the UnitedHealthcare Dental DHMO plans are provided by the following: UnitedHealth Group Company, National Pacific Dental, Inc.

\*\*Benefits for the UnitedHealthcare Dental PPO plans are provided by UnitedHealthcare Insurance Company, located in Hartford, Connecticut.

UnitedHealthcare Dental HMO*	UnitedHealthcare Dental PPO**
No calendar year maximums; no yearly deductibles	\$1,750 calendar year maximum; \$50 yearly individual deductible (\$150 for family)
Basic care provided by network general dentists selected at enrollment. Members may change their designated dentist by contacting UnitedHealthcare Dental customer service by the 20 <sup>th</sup> of the month. Requested changes will be effective the first of the following month.	You may receive care from any licensed dentist; network dentists have agreed to accept negotiated fees as payment in full with no "balance billing" for covered services.
Each family member may select a different UnitedHealthcare Dental network general dentist (remember to include the Practice ID number when enrolling).	Non-network dentists could "balance bill," which may result in higher out-of-pocket costs. For more information, see the Benefit Summary or determine out-of-pocket costs by using the online Treatment Cost Calculator.
Covered procedures and copayments are listed on the Schedule of Benefits and may be found at: <a href="http://yourdentalplan.com/harriscounty">yourdentalplan.com/harriscounty</a>	In-network claims are paid based on the percentages and network discounts. Out of network claims are paid based on percentages of Maximum Allowance Charge (MAC).
When specialty care is required, your selected general dentist and UnitedHealthcare Dental Customer Service Representative will assist in managing your referral.	If you require specialty care, you may see any specialty care dentist you choose. When you receive care from a network dentist, you may save on your cost of care.
No waiting periods.	<u>New enrollees:</u> 6-month waiting period on endodontic procedures and all major services (newly-added dependents of current retirees).
Adult & child orthodontics is included in the DHMO plan.	Orthodontia is not a covered benefit in the PPO plan.
No claim forms are required.	Claim forms may be required when a non-network dentist is used.

## CHOOSING THE RIGHT DENTAL PLAN FOR YOU AND YOUR FAMILY

### Which plan is best for me?

The DHMO plan provides comprehensive dental care with defined copayments for each covered procedure. You select a participating DHMO dentist from a network of providers and follow the plan rules/guidelines for services provided.

The PPO plan offers members a choice of dentists in-network, and the option to go out-of-network for services at a higher cost share. The plan includes an annual deductible and a calendar year maximum. With this plan, you pay a higher percentage of costs for services.

Choose the plan that best suits your needs for the upcoming benefit year.

### UnitedHealthcare DHMO Plan

Remember to select a dentist from the United Healthcare Dental Directory or Dentist Locator on [yourdentalplan.com/harriscounty](https://yourdentalplan.com/harriscounty) for you and each of your enrolled dependents. Indicate the Practice ID Number in the space on your enrollment form for each person enrolled.

You can obtain a complete [Schedule of Benefits](#) with covered procedures and copayments along with Exclusions & Limitations, available online at [harriscountytexas.gov/hrrm](https://harriscountytexas.gov/hrrm) or [yourdentalplan.com/harriscounty](https://yourdentalplan.com/harriscounty). You may also request a copy by calling customer service at the number located on your member ID card.

An [Evidence of Coverage](#) document may also be requested or viewed online and provides additional information about how to get the most from your UnitedHealthcare Dental HMO plan. Please take time to review this information before making dental benefit decisions.

**DHMO members:** Check out the dental health and wellness link at [yourdentalplan.com/harriscounty](https://yourdentalplan.com/harriscounty).

### UnitedHealthcare PPO Plan

There is no need to pre-select a dentist - you can receive treatment from any dentist, network or non-network. If you decide to use a network dentist, you can log on to [yourdentalplan.com/harriscounty](https://yourdentalplan.com/harriscounty) to browse the Dental Directory or Dentist Locator to help you find a dentist. When choosing a dentist, you could save on your out-of-pocket costs by selecting an in-network UnitedHealthcare dentist. Network dentists have agreed to negotiated fees as payment in full with no balance billing.

### Your PPO Costs

Payment of claims is based on negotiated discounts with network dentists. Payment of non-network claims is based on a Maximum Allowable Charge (MAC). The Maximum Allowable Charge is set by UnitedHealthcare Dental. This MAC is the most that United Healthcare Dental pays for a plan's covered dental procedure when a non-network dentist is used.

A Summary of Benefits includes the information about percentage of coverage by procedure category along with Exclusions & Limitations. After reviewing the plan documents, if you have any questions, a customer service representative will be happy to help you. Or, you may download a copy of the Certificate of Coverage at [harriscountytexas.gov/hrrm](https://harriscountytexas.gov/hrrm).

### Included with your PPO Dental Plan

**Prenatal Dental Care Program:** Women in their second and third trimesters are eligible for this program. When visiting your dentist, you need to supply the name and contact number of your OB/GYN. You will then receive additional cleanings or periodontal maintenance, at little or no cost, if the need is determined by your dentist.

### Oral Cancer Screening

Individuals who are determined at-risk by their dentist and are 30 years of age or older may be eligible for this once-yearly, light-contrast screening.

## DENTAL WELLNESS AND ESTIMATING THE COST OF TREATMENT

### WELLNESS SCREENING Included with your Dental HMO and PPO

The UnitedHealthcare Dental Wellness plan, through its eight Centers of Excellence, created a program that makes wellness a priority by performing a variety of unique services. By simply visiting the dentist, individuals might find that they may save more than their teeth and gums. It may just lead to early diagnosis, referral for, and treatment of a variety of diseases.

The Centers of Excellence offer free, possibly life-saving wellness screening services. Members set an appointment and complete a questionnaire. The dentist makes an assessment and provides appropriate screenings for any or all of four conditions.

Screenings may help determine if a member is “at-risk” for oral cancer, diabetes, or cardiovascular disease, and may lead to a referral for these conditions.

As part of the wellness visit, the attending dentists provide counseling and materials about the impact of tobacco use, obesity, and oral piercings, as well as information about oral disease and other medical conditions.

Contact the UnitedHealthcare Dental Onsite Representative at **713.274.5500 (Option 2)** to locate a Center of Excellence near you.

### What is the difference between Routine Cleaning and Deep Cleaning?

“**Routine Cleaning**” (prophylaxis) is the removal of normal tartar build-up and polishing teeth to remove stains. If you see your dentist regularly and have your teeth cleaned twice a year, a routine cleaning will likely be your dentist’s prescription.

“**Deep Cleaning**” is a term used to describe scaling and root planing, a procedure that removes plaque and tartar build-up on teeth below the gums. Usually when you need a deep cleaning it is a sign that your oral health has changed, typically due to gingival (gum) inflammation. There could be several reasons for the change: periodontal disease, stress, pregnancy, tobacco use, or a change of medication – even a simple change in brushing or flossing habits.

### YOUR DENTAL TREATMENT COST

UnitedHealthcare Dental is committed to helping you make the most of your dental plan benefits by getting actual prices for treatments based on your individual plan, comparing the rates charged by different providers, and seeing your out-of-pocket cost so you can plan ahead. We have created an easy-to-use tool: the Treatment Cost Calculator.

With the Treatment Cost Calculator you can always make an informed choice about your dental treatments. It’s easy to use and available to members 24 hours a day at [yourdentalplan.com/harriscounty](http://yourdentalplan.com/harriscounty).

### TREATMENT COST CALCULATOR

1. Log in with your username and password. If you haven’t previously registered at [yourdentalplan.com/harriscounty](http://yourdentalplan.com/harriscounty), you can register now.
2. To get started, visit [yourdentalplan.com/harriscounty](http://yourdentalplan.com/harriscounty) and select Plan Info > Treatment Cost Calculator.
3. Next, you’ll enter information about the practitioner performing the procedure. You’ll need the following information:
  - The approximate date of the procedure
  - The Practitioner ID (To find the ID of a network practitioner, click the link to search for dentists who perform the procedure)
4. On the next screen, you’ll enter information about your procedure. Select the procedure from the list of common treatments shown. You can also enter the procedure code if you know it, or display a list of procedure codes.
5. Your treatment cost results will be displayed, including the cost of the service based on your specific plan, the amount you’re responsible for (coinsurance), any limitations or waiting periods in your plan, and your annual deductible which is the amount you must pay each year before your plan starts paying benefits.
6. From the treatment cost results page, you can display your dental benefits summary which lists your plan features including in and out-of-network coverage rates, your annual deductible, and your annual maximum.

## IMPORTANT DENTAL INFORMATION

### UnitedHealthcare Dental DHMO Specialty Care Referrals and Emergency Dental Services Instructions:

Customer Service: 866.528.6072, Hours: 7 a.m. - 10 p.m. CST

**Specialty Care Referrals:** Certain dental procedures may require the expertise of a specialist and require a specialty care referral. Your assigned primary care dentist is responsible for completing the specialty referral form. With your form in hand, contact Customer Care for an authorization number and a specialist authorized to provide your care. Referrals are not needed for children up to age eight to see a pediatric dentist. Children ages eight and older need to get a referral from a primary care dentist. Children under age eight who need services of a specialist other than a pediatric dentist must still get a specialty referral.

**Emergency Dental Services:** If you are within seventy-five miles of your Selected General Dentist, simply contact your selected dentist who will make reasonable arrangements for such emergency dental care. If you are more than seventy-five miles from your Selected General Dentist, or you cannot reach your Selected General Dentist or Customer Service, you may obtain Emergency Dental Services for stabilization from any licensed dentist. Potential examples of emergencies are excessive bleeding, severe pain, or acute infection. Reference the Dental Plan Documents for specifics at [harriscountytvx.gov/hrrm](http://harriscountytvx.gov/hrrm).

In a non-emergency situation, you will receive an explanation of benefits via the mail that will list the specialist contact information and your authorization number. For emergency situations, you will receive a call back from your approved participating specialist.

It's been said that people typically visit their dentist more often than they visit other doctors. It's important to know that as health care becomes more integrated and dentists increasingly focus on more than just teeth, they are becoming indispensable members of the larger health care team.

The bacteria that inhabit the mouth, causing tooth decay and gum disease, may be found elsewhere in the body. Though there may be no pain or noticeable symptoms, this bacteria can lead to far more serious conditions. We are continuing to learn that gum disease may heighten the risk for heart disease, diabetes, pregnancy complications, and other conditions.

### FILLING OPTIONS TO CONSIDER

Amalgam is the silver filling that dentists have been using for many years to fill cavities; resin-based composite fillings are white (tooth colored). You may have heard about the safety concern of using amalgams because mercury is part of the filling material. However, the American Dental Association, the National Institutes of Health, and the U.S. Public Health Service, among others, have stated that, when combined with other metals, as it is in amalgam, it is an acceptable standard of treatment.

Because some dentists have a concern about using amalgam material, they choose to provide only composite fillings for their patients. We suggest you discuss with your dentist his or her practice policies.

### CROWN OPTIONS TO CONSIDER

A crown is a metal cap that covers and strengthens a tooth. Crowns are generally necessary along with a root canal or when a standard filling is not enough support for the tooth structure. Crowns are made of different materials - metal only or a porcelain ("tooth-colored"). A crown is not just the cap that sits over the tooth...there can be other procedures and materials required, such as a gold post, a core build up, or a pin. Each one adds to the total cost.

Crown costs vary depending on the materials used and your dentist can provide an itemized treatment plan. For the DHMO plan, each covered crown is listed on your Schedule of Benefits. Check the copayment and any additional fees that are indicated [i.e. porcelain on back teeth and additional lab fees for noble (low gold) and high noble (high gold) metals].

Other procedures may be required during your treatment, such as a root canal - this adds to the cost of restoration. Under the PPO plan your benefit allowance is 50%, whether your dentist is in or out-of-network. The out-of-network dentist may balance bill for services above the maximum allowable charge fee schedule. You have greater savings when you choose a network dentist.

## VISION CARE PROGRAM AND COVERAGE INFORMATION

**Vision coverage is provided automatically for you and each dependent you enroll in the medical plan.**

With the vision plan, when you use participating providers you will pay lower out-of-pocket expenses and receive a higher level of benefits. You may also use out-of-network benefits; however, your benefit level is reduced - you will pay for the services and you must file a claim with Superior Vision for reimbursement.

**HOW THE VISION CARE PROGRAM WORKS**

Each time you need vision care, you may seek care through the Superior Vision benefit plan. Select a Superior Vision participating provider by calling customer service at **800.507.3800**, or visit [superiorvision.com](http://superiorvision.com). When you make your appointment, identify yourself as a Harris County Superior Vision Plan member. You are eligible for a vision examination provided by a network optometrist or ophthalmologist once every twelve months.

At an in-network provider, members will receive a **\$130** retail allowance toward the cost of the frame. The Superior Vision benefit plan provides **\$130** toward your contact lens evaluation and fitting fee as well and the cost of contact lenses. A **\$300** Lasik benefits reimbursement is also available either in or out-of-network in lieu of other benefits.

**COVERED SERVICES**

Highlights of your vision care benefits are shown in the chart. Copayments are not applicable when utilizing out-of-network providers.

For the complete schedule of benefits, reference the Vision Plan Benefit Certificate of Coverage at [harriscountytexas.gov/hrrm](http://harriscountytexas.gov/hrrm).

Benefits are available once every 12 months from last date of service.

\* Standard basic lens coverage included in your **\$25** copay for glasses, lenses, or frames and lenses. Lens cost that exceeds the basic coverage is the member's responsibility. Members may receive a discount of up to 20% from a participating provider's usual and customary fees for eyewear purchases which exceed the benefit coverage.

\*\* Necessary contact lenses are determined at the provider's discretion for one or more of the following conditions: Following cataract surgery without intraocular lens implant; to correct extreme vision problems that cannot be corrected with spectacle lenses; with certain conditions of anisometropia; with certain conditions of keratoconus. If your provider considers your contacts necessary, you should ask your provider to contact Superior Vision concerning the reimbursement that Superior Vision will make before you purchase such contacts.

\*\*\*Lasik Vision Correction: Superior Vision provides each member a **\$300** allowance available both in and out-of-network. Superior Vision has partnered with the LCA. In-network providers may offer additional savings and financing. Call **877.557.7609** for assistance in coordinating your care.

## LIFE INSURANCE & MEDICARE REVIEW

Life Insurance for retirees provided by

*All retirees insured under the Harris County group health and related benefits plan have a Life Insurance Benefit of \$15,000.*

### MEDICARE PARTS A & B

**Medicare becomes the primary insurer when a retiree, or a dependent of a retiree, turns 65 or becomes eligible due to disability. Harris County medical benefits then become secondary to Medicare.**

The Harris County Medical Plan coordinates its benefits with Medicare Parts A & B. Since Medicare is the primary insurance, it must pay benefits first before the Harris County Medical Plan will pay benefits. The Harris County Medical Plan will pay benefits as if Medicare Part B paid first even if you are not enrolled in Medicare Part B. This will cause a gap in your coverage if you do not enroll in Medicare Part B as a retiree.

You should contact the Social Security Administration at **800.772.1213** if you have any questions concerning coordination of benefits between the Harris County Medical Plan and Medicare.

### A WORD ABOUT PROVIDERS ACCEPTING MEDICARE

If your physician accepts Medicare assignment he/she will bill Medicare for you. If your physician does not accept Medicare assignment and/or has opted out of Medicare, you may be responsible for filing your claim with Medicare yourself. Cigna will not pay primary for retirees who are eligible for Medicare if your provider has opted out of Medicare. You should ensure that all of your medical providers participate in Medicare and are in Cigna's network to receive the highest level of benefits. Failure to do so will result in higher out-of-pocket costs for you.

### MEDICARE PART D

Harris County Medicare eligible retirees should not enroll in Part D — Medicare Prescription Drug Plan. Enrollment in a Medicare Prescription Drug Plan is voluntary, but in most cases is unnecessary because the Harris County Medical Plan administered through Cigna provides more comprehensive prescription drug coverage. In addition, there is no coordination of benefits between Harris County's medical plan and the Medicare Prescription Drug Plan; however, there will continue to be coordination with Medicare Parts A and B.

If you meet certain income and resource limits, Medicare's Extra Help Program may assist you by paying some of the costs of its prescription drug coverage. You may qualify if you have up to \$17,820 in yearly income (\$24,030 for a married couple living together) and up to \$13,640 in resources (\$27,250 for a married couple living together).

If you don't qualify for Extra Help, your state may have programs that can help pay your prescription drug costs. Contact your State Health Insurance Assistance Program (SHIP) for more information at **800.252.3439**. Remember, you can reapply for Extra Help at any time if your income and resources change.

For more information about getting help with your prescription drug costs, call Social Security at **800.772.1213** or visit [socialsecurity.gov](https://www.socialsecurity.gov). If you or any of your covered dependents are eligible for additional coverage through Medicaid, you should contact 800-MEDICARE (**800.633.4227**) or visit [medicare.gov](https://www.medicare.gov) to determine the best prescription drug option for you.

Harris County pays a significant portion of the cost for your health care coverage. The amount of Harris County's contribution is determined annually and is currently based on your years of Harris County service and age at retirement. As a general rule, if you retired before March 1, 2002 with at least 10 years of Harris County service, for the 2017-2018 benefit year Harris County will pay 100% of the cost of your Base plan medical, dental, vision and life insurance coverage if you are Medicare eligible.
