

in the public interest and a Temporary Restraining Order should be issued to restrain and prevent the continuing acts and practices of Defendants that may be violating the DTPA. DTPA § 17.47(b). The Court **FINDS** from the evidence set forth in Plaintiff's Original Petition, the affidavits, and attached exhibits, that unless Defendants are immediately restrained from the acts prohibited below, Defendants will continue to commit such acts before notice can be given and a hearing can be held on Plaintiff's request for a temporary injunction. The State will suffer the following immediate and irreparable injury, loss or damage: interference with the public health, safety, peace, comfort and convenience of its citizens caused by the Defendants' sale of dangerous and illegal synthetic drugs from a retail establishment. This injury is irreparable because the sale of dangerous and illegal synthetic drugs is harmful to the public and is unlawful. Issuance of a temporary restraining order is in the public interest. The Court **FINDS** that there is good cause to believe irreparable loss or injury would occur unless Defendants are immediately enjoined. DTPA § 17.47(a). The Court **FINDS** this Temporary Restraining Order may be issued without bond posted by the State. DTPA § 17.47(b).

With respect to the Plaintiffs' claims to abate a common nuisance under Chapter 125 of the Texas Civil Practice & Remedies Code, the Court **FINDS** Plaintiffs are likely to succeed on the merits under § 125.002 and that a temporary restraining order is necessary to prevent the Defendants from maintaining a common nuisance. The Court further **FINDS** that the State is not required to post a bond in support of injunctive relief, and the State is not required to verify the allegations in support of its petition to abate the nuisance. Tex. Civ. Prac. & Rem. Code § 125.002(a); Tex. Civ. Prac. & Rem. Code § 6.002.
