

Mobile Application: HC Online Directory

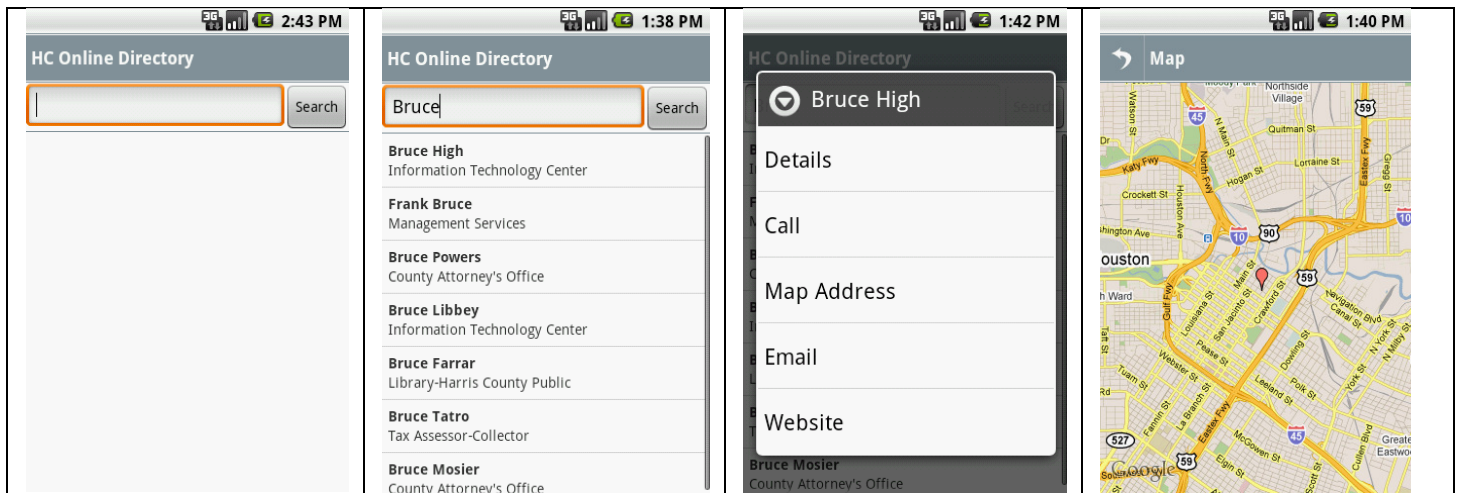

Purpose

To provide citizens and employees of Harris County a mobile application to look up and communicate with HC employees.

Application features

- Search on first or last name
- Wildcard searches
- Provide ability to call or email contact with the touch of a button
- Retrieve job title and job location
- Display map of contact's work location
- Open website associated with contact's organization

Screens

Install on Android (use any barcode scanner application)

Search key words: [Harris County](#), [HC Online](#)
